

Washing Queen!

There are no tub legs to break. The tub is supported on a frame made of high carbon angle steel, well braced and rigid every part. All moving parts are completely enclosed, making the safest washing machine built. The washing mechanism is our famous Grinnell Solid Dolly, which does not float, but always rests upon the clothes and may be raised if desired during the washing operation without raising the

WE CAN NOW SUPPLY

THIS HAIR PREPARATION

Our big Harmony Laboratories in Boston have caught up with their orders now and so we won't have to disappoint any who are using Harmony Hair Beautifier and want more of it, or any who have been advised by your friends to use it. We can now fill all demands, even if it becomes even more of a rage than it is now.

Harmony Hair Beautifier is just what it is named—a hair beautifier. It is not a hair dye or hair oil—but a dainty, rose-perfumed liquid dressing to give the hair its natural gloss and brightness, wavy softness, rich beauty. Easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil, and will not change color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony

Shampoo. This pure lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back.
