It's the old story of not realizing the merits of a thing until its usefulness has been demonstrated.

Even if you feel that a Bell Telephone would be a joy in your home, you fail to quite realize how great a comfort and help it is going to be.

If you did realize it, you wouldn't be without a telephone for a single day.

The residence rates are very moderate. Telephone or post-a-card to The Bell Business Office today.

Resolutions of Respect
At a meeting of the Board of Directors of the First National Bank of Mount Joy, Penna. the following resolutions were adopted:
Whereas; it has pleased God in His infinite wisdom to remove from our midst, our friend and fellow Director, John G. Stauffer; and whereas, the long and intimate relation held with him in the faithful discharge of his duties as director of this Bank, makes it eminently befitting that we record our appreciation of him; therefore,
Resolved: That the wisdom and ability he exercised in the aid of our Bank by service and counsel, will be held in grateful remembrance.
Resolved: That the sudden removal of such a life from among our midst, leaves a vacancy and a shadow that will be deeply realized by all the members and friends of this Bank, and will prove a serious loss to the community and the public.
Resolved: That while we deeply sympathize with the bereaved relatives of the deceased, we express the hope that even so great a loss to us all may be overruled for good by Him who doeth all things well.
Resolved: That out of respect to his memory, the doors of this Bank be closed from 10 A. M. to 12 M. Wednesday, April 23, 1914.
Resolved: That a copy of these resolutions be spread upon the minutes of this Bank, a copy printed in the local papers, and a copy forwarded to the bereaved family.
H. H. Myers, Secretary
Thos. J. Brown, President
R. Fellenbaum, Cashier.

The Hager Anniversary PIANO CLUB

Offers Real Advantages In The Purchase of Widely Known Reliable Instruments

Prospective piano buyers should recognize the fact that there are three important things to consider in buying a piano:

FIRST—reputation and absolute reliability of the instruments
SECOND—integrity of the concern with whom you are dealing
THIRD—a fair price—a fixed price—the same to everyone.

By purchasing a piano or player-piano through the club plan, you not only receive the exceptional advantages that the club offers, but obtain the product of the world's leading piano makers.

In both the Pianola Player Pianos and the celebrated Hepple Three-Sounding Board Pianos, the features that have made them famous are patented in every country where they are sold—hence no other instrument can surpass them in merit.

Through the supreme merit and absolute reliability of these instruments, they are internationally known and recognized as the best, receiving the endorsement of famous musicians all over the world.

This Policy of a "Fixed Price"

assures you of receiving a piano or player piano at its exact value—any time. It assures you that your neighbor cannot buy any piano here for one cent less than you. It assures you that your child could obtain the same terms and advantages as you.

Every instrument has a cash price and a time price. For instance, the Francesca-Hepple sells for \$247.50 cash or \$275 on time, and the Steinway Pianola Piano sells for \$1250 cash or \$1325 on time.

The Club Plan Offers Cash Prices With Time Payment Privileges
