The Valedictory

"This celebrated Maxim has stood the test of all time. It was just as applicable to the ancient Greeks and Romans as it is in this our present day and age of marvelous achievement. But only is it a maxim that applied to the past and now applies to the present, but nothing is more certain than the fact that the welfare and accomplishments of the future will depend just as much on this underlying principle, that, Labor spells success."

"It is true it has not always been repeated in these exact words, but then we should remember it is the principle implied that makes it so true. Closely related to it and one of the modifications of it is this, Nothing of Worth Can Be Obtained Without Labor."

Classes Graduated Friday Night at Marietta and Bainbridge

The thirty-sixth annual commencement exercises of the Marietta High School was held Friday night in Central Hall. The spacious auditorium was well filled with an appreciative audience. The class this year comprised three girls and a boy, which is one of the smallest classes ever graduated from the High School.

Thru the untiring efforts of the principal, Samuel S. Simons, the entertainment throughout was very enjoyable. The interior of the seating auditorium was strung in lines running opposite with the colors of the class, orange and black. The stage was neatly decorated and the potted plants and furniture were arranged to present a nice appearance. Here the class flower, cherry blossom, in display, as well as other colors of the school. The class motto, "Be Worthy of Trust," was displayed in colors of orange and black above the stage. On the stage were seated the members of the class, the teachers, clergy, Board of Directors and the orator of the evening, Dr. George W. Hull of Millersville. Promptly at 8 o'clock, to the strains of the Vigoroso March, played by the Krodol Orchestra of Columbia, the graduating class, teachers and the Board of Directors and the speaker of the evening entered the hall and took their positions on the stage. The graduates were attired in caps and gowns.

Helen M. Eshleman was the salutatorian; Marguerite Straub the valedictorian and Amos Bowman gave the class oration. Dr. George W. Hull delivered the address to the graduates.

Nine Graduated at Bainbridge
The annual commencement exercises of the Conoy township High School was held Friday night in the Methodist Episcopal church, when one of the largest classes ever graduated from this school received their diplomas. The colors of the class, orange and blue, figured very distinctively in the floral decorations and streamers of these colors were strung from the chandeliers to the sides of the church. Potted plants, cut flowers and the class flower, the violet, added very materially to the effect. The exercises throughout were of a high order, and especially the musical numbers on the programme. The valedictorian was John Kraybill and the salutatorian, Harry Coughan. The exercises began at 7:30, with a selection by the school, with piano accompaniment.

The salutatorian address was delivered by Harry Coughan, who, after welcoming the audience in a happy manner, followed with the subject assigned to him. The valedictorian's address was given by John Kraybill, who, after the course of his subject, bade a final farewell to the class and thanked the teachers for what they had done for them and also the Board of Education for their hearty co-operation. The class historian was Karl Smith and the class prophecy was given by Pauline Hoffman. The class motto, "Thru Trials to Triumph," was very elaborately displayed above the stage where the graduates, school teachers and the Board of Directors were seated. The address to the class was delivered by Prof. H. F. Dilworth, A. M., department of English at the Millersville State Normal School, who, in a brief address gave considerable advice to the class.

The class roll: Marion Hemperly, Pauline Hoffman, Bertha Landis, Lotie Smith, Ethel Wile, John Kraybill, Harry Coughan, Karl Smith and Frank E. Sveigert.

Board of Directors: Benj. Hoffman, Tillman Graybill, Eli Hoover and Ephraim Brinser.

Faculty: Prof. Chas. S. Wertz, principal; Miss May Dulebohn, assistant.

FOR STOMACH TROUBLE

John W. Skillen of Sidney, Ohio, Has Found a Remedy.

Experts declare that the reason stomach disorders are so common in this country is due to hasty and careless habits of eating. Stomach troubles and run-down conditions usually go together.

John W. Skillen of Sidney, Ohio, says: "I had a bad stomach trouble for years, and became so weak that I could hardly walk or do any work. My appetite was poor, and it seemed impossible to get any relief. Since taking 'Vinol' I find a remarkable improvement in my health, my digestion is much stronger, and I have gained in weight. I would not be without 'Vinol.'"

Vinol makes weak stomachs strong because it strengthens and tones up the weakened, tired and overtaxed nerves of the digestive organs. Vinol is easily assimilated by the weakest stomachs, and is delicious to the taste. Try a bottle of 'Vinol' with the understanding that your money will be returned if it does not help you.
