

MCCORMICK FOR GOVERNOR

A Democrat of principle, courage and conviction who considers his party the main works and not a mere Penrose annex.

A Democrat who will be a Democratic governor independent of any power or influence except the will of the people.

A man who has no motive in seeking the governorship save an honorable ambition to usefully serve the State.

He is the man who put the party back on the political map of his State.

He was the centre rush in the great contest that rescued the Democracy from the bi-partisan traders, the Guffeys, Halls, Garmans, Donnellys and Ryans. And his nomination will block the movement to deliver your party back to Penrose.

A man of strength, vigor, courage, wisdom, experience and discretion, in whose hands the great interests and the fair fame of Pennsylvania will be safe. You will help to bring this great blessing to the State, if you vote to.

NOMINATE MCCORMICK BECAUSE HE WILL BE ELECTED

Only Store In Lancaster Can Sell You a Genuine Pianola Player-Piano

All player-pianos are not "Pianola" Player-Pianos. And the reputation of the "Pianola" as an artistic musical instrument must not be applied to imitations, either cheap or falsely high-priced. Ordinary "player-pianos" have no reputation of musical standing. They lack certain patented devices which the "Pianola" has. These are absolutely necessary to artistic playing. At the Hager Store you may choose from six world-famous pianos, including the Stroud, Stuyvesant, Wheelock, Steck, Weber and Steinway. Prices begin at \$550. Moderate terms.

WHY MOUNT JOY MERCHANTS SHOULD ADVERTISE IN THE BULLETIN

Abraham Lincoln said: "I do not know much about the tariff, but I do know this much; when we buy goods abroad we get the goods and the foreigner gets the money; when we buy goods made at home, we get both the goods and the money."

Those who get the "lion's share" of Mount Joy business are advertisers in the Bulletin.

Why Do You Name The Brand When You Mean The Commodity?

There are, in the United States, 2672 flour mills with a daily capacity of more than 50 barrels. There are 232 catsup manufacturers, more than 475 cereal manufacturers, far more than 30,000 brands of soap made by 1033 manufacturers, shoe manufacturers to the number of 2150 and 41 manufacturers of talking machines.

WHY MOUNT JOY MERCHANTS SHOULD ADVERTISE IN THE BULLETIN

The "New Year" is the time for introspection; the time to look back over the years that have flown; and by searching out and acknowledging our weaknesses, fortify ourselves for the years to come. Look back, and see if you are getting all your talents, your ambition, and your opportunities entitle you to. If not, take steps to improve your condition without delay. Advertising in the Bulletin can greatly assist you, whether you desire for a better position or most extensively advertised.
