

A VERY SUCCESSFUL SOCIAL

Mr. and Mrs. Ezra Nye Entertain 48 Members of Luther League

One of the most successful socials held here in months, was the one at the home of Mr. and Mrs. Ezra Nye, a short distance east of town on Monday evening.

It was held for the Luther League of the Lutheran Church and forty-eight members were in attendance. A very good program was rendered which consisted of cornet solos, several recitations, piano duets, violin solo, and an excellent exhibition of mechanical dolls.

Various kinds of games were participated in after which refreshments were served.

All departed at a late hour unanimously agreeing that this was one of the most enjoyable social occasions ever held by the League.

Crushed His Finger

Mr. I. D. Stehman met with quite a painful accident shortly before noon today. He was driving a stake with a heavy sledge when the handle caught and he struck his index finger on his right hand between the stake and sledge handle. The nail was torn off and the finger crushed. The injury was dressed by Dr. A. F. Snyder.

MCCORMICK FOR GOVERNOR

A Democrat of principle, courage and conviction who considers his party the main works and not a mere Penrose annex.

A Democrat who will be a Democratic governor independent of any power or influence except the will of the people.

A man who has no motive in seeking the governorship save an honorable ambition to usefully serve the State.

He is the man who put the party back on the political map of his State.

He was the centre rush in the great contest that rescued the Democracy from the bi-partisan traders, the Guffeys, Halls, Garmans, Donnellys and Ryans. And his nomination will block the movement to deliver your party back to Penrose.

A man of strength, vigor, courage, wisdom, experience and discretion, in whose hands the great interests and the fair fame of Pennsylvania will be safe. You will help to bring this great blessing to the State, if you vote for
