Primary Election Proposed Extension Mortuary Recordings

(Continued from page 1) Republicans nominated Martin G. Brumbaugh, supt. of schools of Philadelphia, and for lieutenant governor Frank B. McClain, mayor of Lancaster and former speaker of the House.

The Washington party nominee for governor is probably William Draper Lewis, dean of the law school of the University of Pennsylvania, although a heavy vote has been cast for Judge Charles T. Brumm of Pottsville. The vote is close between Vance C. McCormick, of Harrisburg, and City Solicitor Michael J. Ryan of Philadelphia, with the odds in favor of McCormick, for the nomination for governor. This was the principle contest in today's primaries, and further returns will be necessary to determine the result. Judge Gustave A. Endlich of Reading is believed to have secured one of the two nominations for justice of the supreme court, the other nomination going to Judge Robert S. Frazer of Pittsburg, or Judge Geo. Kunkel of Harrisburg. Frank M. Trexler of Allentown, is in the lead for judge of the superior court.

In the County

In the county the only real issue at the polls was the control of the Democratic county committee and at a late hour last night the anti-Davis leaders declared that they had made material gains and that they would be able to control the committee by a substantial majority. Neither side was very well fortified with facts but it was plainly evident that there was a note of anxiety if not actual dejection on the countenances of the Davis people while the anti's were visibly elated. It was a great day for the Hensel's—Harry and George, Harry who ran for the county committee in the first district of the Second Ward won out by a substantial margin, one of the most determined fights ever made in that district. Hensel made a very careful canvass of the district and obtained a good lead on his opponent at the start. Aside from the interest taken by the Democrats here yesterday, there was practically nothing to our primary. The Republicans filed in and gave the "state" a good big majority in both wards. In the East Ward Mr. Jno. W. McGinnis was re-elected committeeman as was also Mr. H. C. Myers in the West Ward. The vote given the latter was a surprise. "Jig" has been in politics many years and the encouragement given him yesterday even made that old Republican "war horse" wear a broad smile. He polled a bigger vote than any candidate on any ticket. This was truly a compliment. In the East Ward there was a big time between Mr. J. Willis Freed, the anti-Davis Democrat and Mr. O. M. Donovan, for county committeeman. With the support of ex-burgess and ex-postmaster J. W. Shirte, Mr. Freed romped home a winner by a vote of 29 to 15 out of the 44 votes polled. In the West Ward things were also pretty lively where Mr. Charles DeLong and Harry S. Hinkle had quite a clash for the office of county committeeman. The former is a Spencer man while Mr. Hinkle has been the local Democratic committeeman for some time. When the count was over "Tommy" Hinkle and his crowd had the long end of a 25 to 23 victory. This was one of the best political contests among our local Democrats for many years. The four aspirants for committeemen being candidates for the political plum, i. e. the postmaster.

There was a total of 138 votes polled uptown, 69 of these were Republican, 49 Democrats, 9 Bull Moose, 6 Washingtons and the balance were divided between the Socialists and Prohibitionists. The East Ward polled a total of 129 votes, 70 of these were Republican, 44 Democrats, 11 Bull Moose, 1 Prohibition and the balance Washington. J. W. McGinnis received 55 for Republican Committeeman and Samuel Funk 11 as the Bull Moose favorite for the same office.

Mr. and Mrs. Meckley and daughter Elizabeth, Mrs. Dowhower and Miss Elizabeth Lindemuth of Himmels-town, Mrs. Nauman and daughter Anna, Mrs. H. F. Oeweller and daughter Bernice of Elizabethtown, were visitors at the home of Mr. and Mrs. S. S. Stacks on Sunday. The following attended the corner-stone laying of the new United Brethren Church at Newtown on Sunday: Mr. and Mrs. J. D. Easton, Mr. and Mrs. H. L. Stoll, Mr. and Mrs. John Raffensberger, Mr. Emanuel Eby and daughter Bertha, Misses Stella and Anna Haldeman, Messrs. John Stoll and Clarence Musselman. Mr. Henry H. Miller, our veteran shoemaker, for his own personal benefit, decided to count the teams and automobiles that passed his place here on Sunday. He kept account of all from seven o'clock A. M. to 8 o'clock P. M. and found that 158 teams and 218 automobiles had stirred up dust on Main street in those thirteen hours.

(Continued from page 1) burg turnpike 200 feet above the toll gate or residence of Mr. Christian Shatz. From this point down the Harrisburg pike to Myers' road, thence northeast along said road several hundred feet to a point on lands owned by Mr. J. E. Longenecker. Thence diagonally across lands of Longenecker and Mr. Sumpman to the John Shearer property, just outside the present borough line, on the road leading from Fairview street to the Mt. Joy cemetery. Thence across the field on the farm owned by Mrs. Minnie Breneman and tenanted by M. Monroe Sheaffer, to a point near the Farmer's Inn Hotel. From this point down the Manheim road to a point near the covered bridge at the extreme north end of Barbara street. From this point east along the Chickies creek to point of beginning.

This will add considerably to the borough, will net an additional amount in taxes but will mean quite an expenditure to the town as all persons included in the proposed extension will be accorded, lights, better streets, water and also fire protection. The only possible change in the above lines may be made at the Eberle cemetery. At present we have an ordinance prohibiting cemeteries in the borough and unless this ordinance is repealed, amended or otherwise made to meet the occasion, the lines at that point will be changed somewhat. Mr. Brubaker is now busy making a map of the proposed lines and also the old lines and same will be presented to Council as soon as ready. Fifty-one per cent. of the signatures of the people in the proposed extension districts must be procured to make the extension and that it will be made is a certainty as can be gleaned from the fact that on a recent petition 29 of the 35 property owners signed in the affirmative.

Why Mount Joy Merchants Should Advertise in The Bulletin. Preaching vs. Practice. If one of your competitors were to "spring" an innovation in the way of a sale, a new matter of displaying merchandise—anything at all—You would do the same thing just as soon as you could, if you considered it of value to your business. Why copy them in the small things and not in the big things? The greatest business men are the warmest advocates of advertising. The fact that they practice what they preach is the factor which made them the greatest business men. Money spent in the Bulletin will be of far more benefit to you than a thousand times the same amount in the bank. John Donaghy Injured. Mr. John Donaghy met with an accident last Thursday night, but just what happened is a mystery. It was about ten o'clock when a pedestrian found him lying on Manheim street in an unconscious condition. He was removed to his home and an examination by a physician disclosed the fact that he was struck a severe blow on the head by some blunt weapon. Mr. Donaghy became very weak from loss of blood due to a hemorrhage of the ear. He is slightly improved at this writing having been confined to his bed several days. Strong suspicion rests on a certain local character, who it is presumed, struck Mr. Donaghy, his intent being theft. He was evidently frightened and made a hasty retreat before securing anything. In the Hall This Week. The J. L. Tempest Dramatic Company is holding the boards in Mount Joy Hall this week. This company needs no introduction here as this is Mr. Tempest's fourth visit to our town. He carries a good big company of eleven people, every one an artist, and no one will go wrong if they want a little amusement by going to the hall any night. A fair house greeted the performers Monday night. Last night the crowd was better and we predict large houses the balance of the week. The company is playing at popular prices, 10c, 20c and 30c and the chart for each show is at Getz Bros. Clothing store. There will

Resolutions of Respect. The following resolutions were adopted by Mount Joy High School upon the death of one of its members:—Whereas, the love of our Heavenly Father has called another of his children, Walter D. Bernhart, unto Himself, that a bird of earth might bloom in Heaven and; Whereas, we mourn the loss of his presence among us, though we bow to the will of a Power who tempers his judgment with mercy, Therefore be it.
