Why Mount Joy Merchants Should Advertise in the Bulletin \$1,200,000.00 For a Name The Royal Baking Powder business was sold not long ago. For the name alone the owners received \$1,200,000.00. Building and equipment were a mere side issue. A better factory and more up-to-date equipment could be obtained in a short space of time by the expenditure of a few thousand dollars, but to develop a trade name until it became as valuable as the Royal Baking Powder brand would have taken many years and the expenditure of hundreds of thousands of dollars for advertising. By the common-sense use of space in the Bulletin you may increase your number of customers, increase your bank account.
