**For Your Kidney**

The kidneys are for removing waste matters from the system. These waste matters are poisonous. When they are not promptly and completely expelled from the body they clog other organs interfering with their work. Therefore, kidney disease leads to other troubles—eye diseases, rheumatism, chronic headaches, rheumatism, neuralgia. Neglecting your kidneys when anything the matter with them is a serious matter.

**Rexall Kidney Pills**

Believe, a most effective remedy for kidney ailments and all kinds. We make this statement after long experience with other forms of kidney treatments. We are confident that in selecting as a remedy that we can recommend, this is the many that we have for sale.

**If They Fail Your Money Back**

Be so positive that Rexall Kidney Pills are unexcelled by any other form of kidney remedy, and that they will do for you, that we sell them with our own personal guarantee. You shall not cost the user a cent if they fail to give entire satisfaction. Price 50c Sold only by

**HIESTAND, Mt. Joy**

ter which this program was rendered: Prelude by the Foresters' Band; America, Audience; Prayer, Rev. N. A. Barr; Onward Christian Soldiers, Spring Garden Band; Barbara Fritchie, Miss Kathryn Fichtenbaum; Oration, Rev. E. A. Bawden of Lancaster; Selection, East Petersburg Band; God be With You Till We Meet Again, Audience; Taps and a selection by the Spring Garden Band.

In the evening at 7 o'clock the Spring Garden Band of York rendered a very good musical program in the park. Many of the renditions pleased so well that numerous enclosures were responded to. The band, under the leadership of W. Howard Eberle, a former Mt. Joy boy, wore their fine new \$1,200 uniforms and presented a fine appearance.

**Maytown**  
The Memorial Day services at Maytown were in charge of Maytown Council No. 79, O. U. A. M. The column of the parade formed in the following order: Citizens' band, war veterans, girls with flowers, Maytown Council No. 79, O. U. A. M., and the Sunday Schools of the Reformed, Lutheran and Church of God.

This program was rendered at the Reformed cemetery: Strew Blossoms Bright; prayer, Rev. Joseph D. Krout; music, band; assembly, column then formed in the regular order and proceeded to Union cemetery where the following program was rendered: Hymn, America, audience, with band; prayer, Rev. W. J. Lowe; music, flower girls; dirge by band; Memorial Day address, Mervin T. Brandt; music by mixed quartette, Kathryn Clepper, Mary E. Henderson, Henry Kraybill and John W. Wolfe; assembly; return to Centre Square and dismissal.

**Marietta**  
Memorial Day services were in charge of Wm. H. Child Post No. 226, G. A. R. The Bainbridge band escorted the Grand Army Post from their headquarters in Market street to Central Hall. The organizations in line were as follows: Bainbridge Band; Lieut. Wm. H. Child Post, No. 226, G. A. R.; Pioneer Fire Corps of Columbia; Pioneer Fire Company; Troop No. 1, Boy Scouts, under the leadership of G. H. Pinkerton. The public school children assembled at Town Hall Park, under the direction of John K. Miller, assistant principal of the Grammar school. They marched on the sidewalk.

**Letters Granted**  
Letters testamentary were issued to Jeremiah J. Springer of Mt. Joy, executor of Mary Ann Springer late of the same place.

**QUITE A STORM**  
Swept This Section Last Wednesday Burning Barns and Uprooting Trees

The season's first thunder storm, or rather storms, played havoc in the county last Wednesday evening. At least three big barns were destroyed by fire, a big tobacco shed was leveled to the ground, trolley traffic was tied up for two hours, the electric plants were put out of commission and untold damage was done to fruit trees, outbuildings, growing crops and telephone lines. All told the damage will reach all of \$50,000, and may run up to \$100,000. The hotel barn of George Townsend at Martindale, was totally destroyed by fire. Neighbors were burning brush when the storm scattered the fire which started the barn ablaze.

The large barn on the farm of Hayden Bomberger, a mile east of Litz, was struck by lightning and totally destroyed. All the live stock was saved but the hay, straw, implements, etc., were destroyed.

**Tobacco Shed Demolished**  
The fierce wind and rain storm which struck the county about five o'clock Wednesday afternoon played havoc with the buildings in Landisville and vicinity. Windows were broken, sheds blown over and signs torn from their fastenings.

The greatest damage was experienced by Abram Long of Landisville. His tobacco shed on the Harrisburg pike, about a mile east of Landisville, during the height of the storm, was picked up from its foundation as if it were but a wisp of straw and dashed again to the ground. Every board in the structure was smashed to kindling wood. Nothing was in the shed at the time. The building measured 140x40 feet.

**SCHLEGELMILCH BARN BURNED**  
Tenant Henry H. Kauffman Saves All His Live Stock

The worst damage done in this section last Wednesday evening was on the Marietta and Mt. Joy turnpike, when a streak of lightning struck the large bank frame barn on the Frank Schlegelmilch farm, and tenanted by Henry Kauffman. Mr. Kauffman conducts a dairy and was just about ready to bring the cows into the barn when the fire started. Lack of help, on account of the heavy rain which was falling, rendered the place helpless in a short time. Some of the farm implements, including a 2-horse wagon on which there was a ton of bran, were destroyed. The cattle which were in the fields and barnyards were saved, and a few horses that were in the barn were gotten out with difficulty. A pig and a calf were burned. The scene of the fire attracted many peo-

ple from all directions, and it was first supposed that there were several fires in the same section. A storage house which stood east of the barn, and contained baled hay and straw and was nearly full, was completely destroyed, as was the milk house which adjoins one of the outbuildings. The loss will be \$3,500 for the barn, which is owned by Mr. Schlegelmilch and he carries only \$1,800 in the Donegal and Conoy Fire Insurance Co. of Marietta. Mr. Kauffman's loss will be about \$1,500 and he is fully insured.

**A GOOD BOXING SHOW**  
Young Ellis of This Place, Surely Looks Like a Comer

The first boxing show ever held in this town, took place in Mt. Joy Hall Saturday night under the auspices of the Mt. Joy Athletic Club. The attendance was a big surprise and all were given a run for their money. The first bout between Lew Geib of this place and Young Wolpert of Lancaster was a good draw. The second bout being between Young Carroll of Lancaster and Young Otto of Philadelphia, was a hummer with honors about even. The semi-wind-up between Kid Ellis of this place and Young Thomas of Lancaster, was a big surprise. Thomas started off like a whirlwind but ere the first round was over the Kid got busy and although fifteen pounds lighter than Thomas, had no trouble putting it across. The bout was stopped by Referee Collins in the third round, saving Thomas from further punishment. The windup brought together another local favorite, Fighting Ben Groff vs Young McGinnis of Lancaster. The boys went a good six round mill with honors favoring the local boxer. Tim Dronney of Lancaster, refereed the wind-up.

Immediately after the show Manager H. H. Hensel of the Lancaster Athletic Club, matched Young Ellis against a Litz light weight. They will appear at his next show. The Club will hold another show in the near future.

**Eight Hours a Day**  
It is announced by L. H. Kinnard, Vice President of the Bell Telephone Company of Pennsylvania, that on and after September 1st, the nine hour working day of all Plant Department workmen except a small number of maintenance and house service men, will be reduced to eight hours.

The necessary readjustment of working forces to care for the constantly increasing volume of construction and up-keep work will be undertaken at once and the pay roll schedule will be so arranged that the daily and weekly wages of all employees affected by this change will

be maintained at their present amount, regardless of whether the employee is now paid on an hourly, daily or weekly basis.

In all about 3300 employees, including line men, installers, repairmen, cable and conduit workers and test men, will be benefited by this change.

A working day of not more than eight hours, has been in effect in all other departments of the Company for some time.

**THE HOUSE IN SUMMER TIME**  
Little talks on Health & Hygiene by Samuel G. Dixon, M. D., LL. D., Commissioner of Health

When our remote forefathers lived in caves and trees their household goods were limited to a favorite club, a stone ax and a few skins.

The question of cleanliness was a matter of as little consideration as the question of ventilation. Both of these took care of themselves.

In the thousands of years that have intervened, with increasing intelligence has come added accumulation of household goods. Nowadays the poorest individual among us would find it difficult to load his belongings on his back and move when the fancy struck him.

At this particular season of the year the stuffiness and over-furnished feeling of our places of abode is a reminder of some of the good points in our prehistoric mode of life.

For the sake of comfort, coolness and cleanliness dispose of your heavy curtains, thick carpets and other unseasonable furnishings. During the summer season the windows are open and more or less dust sure to enter the house.

To eliminate unnecessary furniture from over-crowded rooms gives an agreeable feeling of space, makes the house easier to keep clean and more sanitary and comfortable during the heated term.

A porch is one of the most useful and enjoyable additions possible to a house in summer. As a safe playroom for the baby, a cool and comfortable rest or workroom for the housewife or a sleeping room at night, it adds to the health and comfort of the entire family.

**Auto Strikes Mules**  
While Mr. Amos R. Nissley of Florin, was on his way home ahead of the storm last Wednesday, the dust made seeing objects quite difficult, he hit one of four mules that were being led down the pike. A deep flesh wound was cut in one mule's hip. The machine swerved struck a mule hitched to Mr. Samuel Holwager's stone team, injuring its leg near the hoof. The accident was unavoidable, as Mr. Nissley is a very careful chauffeur.
