## New Standard Team Defeated Maytown Last Saturday

The New Standard team easily defeated Maytown here on Saturday in a fast game. Maytown made its runs on errors, one coming in the eighth on a throw over third and one in the ninth on a passed ball at first. The feature of the game was a pretty double play of "Big League Chas" Sloat to Brubaker, to Henderson. Walters pitched fine ball, allowing but three hits. The team is hitting hard and fielding good. Strong teams are being booked on a schedule which will be announced later. The score follows:

The Black Fronts of Lancaster, on which there are four members of last year's Mt. Joy team, defeated Denver on Saturday 17 to 4. "Bud" Roads had four hits and Leo Houck 3.

The strong Ironville team, that defeated Columbia last Saturday, will be the attraction here on Saturday, opposing the New Standard team. The game will be called at 3:30.

**Baseball Tomorrow Evening**  
Two teams made up of members of the Men's Organized Bible Class of Trinity United Evangelical Sunday School, will cross bats in a friendly game of base ball on the diamond at the New Standard Hardware Works tomorrow (Thursday) evening. The Ladies' Bible Class will furnish the lemonade for the players. The game will begin at 6:15. Chas. S. Morton and George Myers will occupy the pitcher's box and Homer A. Barr and Guy L. Barr will catch for the two teams. The subject of the game is to stimulate interest and develop the social life of the class. A good time and an interesting game is expected. Everybody will be given the glad hand of welcome.

The local Athletic Club gave a boxing show in the club rooms on North Market street Monday, when four good bouts were staged before a packed house. The crowd was all that could be accommodated and the bouts were very interesting.

The show opened with a four round bout between William Gantz, colored, and "Lew" Geib. The latter made Jack Johnson's friend say "I'm done" in the fourth by his volley of body blows.

Young Daley of Lancaster and Frankie Gantz of this place, went four lively rounds with honors about even. Frankie has the makings of a comer.

The semi-windup brought together Young McGinnis of Lancaster, and Young Shank, who is Ben Finck's sparring partner. Although

McGinnis was 35 pounds lighter than his opponent, he was far the better boxer.

The wind-up was between Kid Ellis, the local favorite, and Young Kreider of Lancaster. Kreider is the lad that boxed a draw with Young Wolpert in Mt. Joy Hall on Decoration Day. Ellis boxed like a veteran, scored a clean knock down in the second and Kreider refused to get up as he had enough of the Kid's game.

Fighting Ben of this place and John Ryan then boxed three friendly rounds.

## MAYTOWN A New Method of Procuring Seed Potatoes

Recent showers have put vegetation in fine growing condition and the country is beautiful.

This is bug and louse month. Keep a keen eye on the poultry for they will surely suffer from lice if neglected.

Mr. and Mrs. Will Morton of Renova, spent a few days among old friends here last week.

Mr. and Mrs. Harry Kraybill and John Fritz of Harrisburg, spent Sunday and Monday in this place.

Can't some way be devised to scare birds away from cherry trees, other than the use of dynamite caps? Our town was not a little disturbed on Sunday by this heroic way of dealing with the feathered thieves.

An item is going the wind that W. Donegal is using a traction engine to draw their road scraper, as though it were a new and grand idea. It is a good way to do, but we have used a traction engine on E. Donegal roads, for years.

Mr. and Mrs. Aaron Grove tendered a reception to their newly married son, Aaron and Mrs. Grove on Sunday. Only the members of the bride and groom's immediate families attended.

Henry Frank's cows attended a big festival on Sunday night, but were uninvited guests. They cleaned out the gardens of Mrs. Kautz, Albert Risser and Dr. Harter.

A friend sent some flowers to us to place on the graves of their departed ones, on Decoration day. The flowers were packed between four slices of potatoes, in the hope that the vegetables would help keep the flowers fresher. We noticed that two of the slices had eyes, and we planted them in our garden. Five fine potato plants are now growing from them.

## Herff-Brooks \$1375

## Our Competitor

We don't know what competition will say in answer to this unusual advertisement. It's the first time competition has been asked to make such a comparison with so remarkable a car at so remarkable a price. So far as we are concerned, we don't much care what they say.

We are building cars for our dealers and their people; not for competition. When so unusual a proposition comes out, competition generally warns both dealers and buyers to stay away from it. This warning is not the result of any fine moral standard, but it is the natural fear of not knowing how to meet the other man's proposition until after they have seen what approval it will find from most dealers and owners.

When a proposition is as good as the Herff-Brooks proposition competition doesn't mean the loss of many sales to us because the dealer or owner has only to see the Herff-Brooks to realize that against such merit, at such a price, abuse and criticism must fall away unnoticed.

Remember that the only competition we will have is cars costing from \$1,750 to \$2,000 and that competition is a compliment. Ask competition the price of his car; then make him prove that there exists that difference in price between what he has to offer you and the Herff-Brooks at \$1,375.

## WHY MOUNT JOY MERCHANTS SHOULD ADVERTISE IN THE BULLETIN

\$1,200,000.00 For a Name

The Royal Baking Powder business was sold not long ago. For the same name alone the owners received \$1,200,000.00.

Building and equipment were a mere side issue. A better factory and more up-to-date equipment could be obtained in a short space of time by the expenditure of a few thousand dollars, but to develop a trade name until it became as valuable as the Royal Baking Powder brand would have taken many years and the expenditure of hundreds of thousands of dollars for advertising.

By the common-sense use of space in the Bulletin you may increase the number of customers, increase your account.

## Quality Wall Papers

Quality is a much abused term, but when a line of Wall Paper possesses it to such an extent as the Brinkman Wall Papers do, we feel quite justified in applying it. They are well printed, well designed and beautifully colored.
