OUR GRAIN LETTER

The Situation as Described by One Thoroughly Familiar

The wheat markets of the country

will from this time forward be governed by the weather conditions throughout the Southwest. Later the weather in the Northwest will prove a help in the making of prices. With favorable conditions in the winter wheat country the movement of that grain will be on an enormous scale as large purchases have already been made of wheat to come to Chicago as well as to the markets of the Southwest. This grain up around the present level. It would be an idle claim to say that there is but one side to the wheat market at the present time, as there Prof. H. A. Surface, State Zoologist, ly too favorable in both the great The entire organism, including the Harrisburg, Pa., for the method and wheat belts to continue and any be led to secure a great deal of this wheat for shipment abroad and it is "In pruning shade trees the same now said that large sales have been sire, and they wish to keep them opinion that further price declines

The apprehension because of dry weather in sections of the corn belt early last week were partially relieved later. It has been popular, however, to stand on a line of corn and refuse to be dislodged even in case the news was bearish. The Argentine wheat has again resumed favorable conditions and this will prove a thorn in the side of the bulls wounds of a healthy tree will heal of this and other countries.

Scattered rains have fallen thruor poor tree. A tree can be stimuout the oats belt and this has been somewhat against the price. The business has been mainly local and It's the small, neglected trate of soda scattered around the those with profits have eagerly se-

> Does Evangelistic Work Z. W. Keller, of Mt. Joy, has

gained quite a little fame at Pottsville on account of his being able to quote from memory, chapters of scripture. He is always listened to with great attention and his appear ance at the Nicholson Hemminger Campaign in Lykens and Wisconsin recently was an interesting feature of the services. He was converted eleven years ago in tent meetings in Mt. Joy, in which Prof. Hemminger assisted. Mr. Keller is a business nan but finds time to engage in vangelistic work. He has conducted men's meetings in some of the large Philadelphia churches, also churches of Lancaster and many other points in Central Philadelphia. He is also an expert in dealing with men about their spiritual needs.-Manheim Seneither melted coal tar or pure white
