SCHOOL BOARD MET

Large Amount of Supplies Ordered for the Coming Term

The Mt. Joy Boro School Board held its regular August meeting on Monday evening, and while there was nothing of great importance transacted, the Board was in session over three hours.

Most of the time was consumed in purchasing the various supplies required for the coming term such as books, pencils, etc. There were a number of bidders.

The Board also purchased two dozen single desks, the majority of which will be used in the Grammar and High School rooms.

A large number of bills were then paid and the Board adjourned.

Market Company Buys

Will Erect a Brick Building 50 x100 Feet in the West End

The Mount Joy Market Company, at a meeting of the Market Company, notice of the incorporation of which appeared in these columns some weeks ago, is up and doing and we can now give you some definite information.

The Building Committee recently appointed to look up a site for a building, viewed various locations throughout the town and finally agreed that the Mrs. M. A. Spickler property, corner of New Haven and Henry streets and adjoining the Washington House stables, would be a very suitable place for a market house.

The committee met the owner of said property, agreed on a price and verbally decided to buy. The articles of agreement and sale will be signed tomorrow, Thursday evening.

The committee has decided to erect a one-story brick building on a concrete foundation. It will be 50x100 feet and will be a modern structure in every detail. It will face New Haven street and will be built on the line along Henry street, occupying the site of the old blacksmith shop.

The surroundings at this corner are ideal being but one hundred yards from the trolley. The two streets at this point are very wide which are also in its favor.

Work on the new building is expected to begin in the very near future.

Rev. Daniel Wolgemuth Agreeably Surprised on Sunday

A Guest Present For Each Year--Is the Father of Thirteen Children, Eleven of Which Are Living--Forty-Two Grand Children Were Present

The home of Rev. Daniel Wolgemuth, on North Market street, was the scene of one of the most successful social gatherings ever held in this community. The occasion was his seventieth birthday and to celebrate the event all his children, eleven in number and all his grand children, forty-two, were present. On Sunday forenoon Rev. Wolgemuth's son-in-law, Mr. Isaac Ginder, who resides just east of here, came to the former's home in this place with his automobile and took Rev. and Mrs. Wolgemuth to Mastersville, where he celebrated his seventieth birthday anniversary by delivering a most excellent sermon to a very large congregation.

After the services they returned to their home here, only to find that during Mr. and Mrs. Wolgemuth's absence their eleven children and their families had assembled and last but not least had brought with them. (Continued on page 5)

BOROUGH COUNCIL

Borough Extension Lines Are Finally Decided Upon

With every member and Burgess Brown present, our Borough Dads met in regular session Monday evening at eight o'clock. The minutes of the last regular and special meetings were read and approved.

A communication relative to the borough water pipe which crosses Marietta street, from Solicitor W. U. Hensel was read. Mr. Hensel, in reviewing the ordinance regulating the situation, informed Council that the borough must maintain this pipe. There was some discussion as to whether or no the pipe should be removed as it is not being used at present. Council finally decided to have the P. R. R. make the necessary repairs to said pipe and casing and send the bill to Council for payment.

A communication from the state authorities relative to our water system, was read and Clerk Fellenbaum was ordered to furnish the desired information.

Burgess' Report
The report of Burgess Geo. H. Brown was read. He collected \$114.09 the past Councilmanic month for pole tax, license money, etc.

Street Committee
Chairman Barto reported sewer at the Farmers' Inn completed, some crossings repaired and recommended macadamizing Columbia Avenue from Market to Poplar street. Same was ordered.

Water Committee
Chairman Ricksecker reported everything O. K. at water works, repairs at pumps on a fair way to completion, plugs flushed and raising stack completed.

Finance Committee
Chairman Richards reported the approval of a number of bills, all of which were paid.

Property Committee
Chairman Sumpman reported that Janitor Pennell said the boiler in the Council Chamber was in bad shape and that thus far he had received but one bid for a heating plant in the post office. The boiler was ordered repaired.

Light Committee
Chairman Ricksecker reported all the lights burning very satisfactorily. Pumping Engineer Geo. W. Shatz reported several large trees blown over on land of Mr. J. E. Longenecker, along the borough dam. The trees are in the creek and should be removed. He also recommended the purchase of a better grade of cylinder oil for the gasoline engine.

Board of Health
Secretary J. E. Hoffer reported no (Continued on page 5)
