MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

CAN'T LOSE HAIR

Twenty Years from Today a Bald-headed Man Will Be an Unusual Sight

One of the most prominent druggists of America made a statement a few weeks ago which has caused a great deal of discussion among scientists in the medical press.

He said: "If the new hair grower, Mildredina Hair Remedy, increases its sales as it has during the past year, it will be used by nearly every man, woman and child in America within eight years."

"When Mildredina Hair Remedy is used almost universally, dandruff will disappear and with its departure baldness, itching scalp, splitting hair and all scalp diseases will follow and twenty years from now a bald head will be a rarity."

"There is only one way to cure dandruff, and that is to kill the germs. There is only one hair preparation that will kill the germs and that is Mildredina Hair Remedy. This unusual hair restorer with its record of thousands of cures there is any life left; it will cure dandruff, stop falling hair and itching of the scalp in three weeks, or money back."

It is the most pleasant and favoring tonic, is not sticky or greasy and is used extensively by ladies of refinement who desire to have and to keep their hair soft lustrous and luxuriant. Fifty cents for a large bottle, druggists everywhere. Mail orders filled by American Proprietary Co., Boston, Mass.

DROWNED AT BAINBRIDGE

York Man a Victim of Cramp-Body Is Recovered

A sad drowning accident occurred at Bainbridge Sunday morning between the Bainbridge island and the Lancaster county shore, when William Free, aged 21 years, son of Dr. Free, of York, went to a watery grave while in bathing with a companion. He was seized with cramps. The young man who was with him nearly lost his life in trying to save him. They were camping on the island the past ten days and took their meals with James Risky, an uncle of young Free, who tenants the island. A number of men from Bainbridge started to grapple for the body when Frank Liphart struck it with a pole and James Risky, who was in the water, pulled the body up. The body was recovered in eight hours.
