## IN ALL OUR NEIGHBORHOOD

There Is Hardly A Woman Who Does Not Rely Upon Lydia E. Pinkham's Vegetable Compound.

Princeton, Ill.—"I had inflammation, hard headaches in the back of my neck and a weakness all caused by female trouble, and I took Lydia E. Pinkham's Vegetable Compound with such excellent results that I am now feeling fine. I recommend the Compound and praise it to all. I shall be glad to have you publish my letter.

There is scarcely a neighbor around me who does not use your medicine."—Mrs. J. F. JOHNSON, R. No. 4, Box 30, Princeton, Illinois.

**Experience of a Nurse.**  
Poland, N.Y.—"In my experience as a nurse I certainly think Lydia E. Pinkham's Vegetable Compound is a great medicine. I wish all women with female troubles would take it. I took it when passing through the Change of Life with great results and I always recommend the Compound to all my patients if I know of their condition in time. I will gladly do all I can to help others to know of this great medicine."—Mrs. HORACE NEWMAN, Poland, Herkimer Co., N. Y.

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

If you want special advice write Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

### WEDDING BELLS

Well Known Young Couple Married Here on Saturday

Paul R. Strickler, son of Mr. and Mrs. Joseph Strickler, and Miss Elsie M. Brown, both of this place, were married Saturday afternoon at 4 o'clock, in St. Luke's Episcopal Church, by Rev. C. Stuart Kitchin. The bride was given away by her father, Arthur Brown. She was attended by Miss Verna Zeider, of Harrisburg. Roy R. Strickler, brother of the groom, acted as best man. The flower girls were the Misses Mabel and Esther Brown, sisters of the bride. The bride was attired in a coral pink silk poplin dress and wore a veil with a spray of orange blossoms. She carried a shower of bride roses. The bridesmaid carried pink and white roses, while the flower girls carried baskets of pink and white cosmos. Miss Elsie M. Battye played the wedding march. These guests were in attendance: Mr. and Mrs. Arthur Brown and family; Mr. and Mrs. Joseph Strickler and family; Mr. and Mrs. Benj. Earnshaw; Miss Hilda Earnshaw; Mrs. B. W. Brown and son George; Mrs. C. S. Kitchin and daughter Ellen; Miss Sara Ellis, Miss Anna Zerphey of this place; Misses Sue and Grace Henry of Philadelphia; William Beaumederfer of Elizabethtown, and Carl and Howard Finerock of Philadelphia. Mr. and Mrs. Strickler will make their home with the bride's parents for the present.

### Barnes—Clinton

A pretty wedding was solemnized on Saturday evening at the home of Mr. and Mrs. Franklin S. Clinton, at Marietta, when their daughter, Miss Mary B. Clinton was united in holy wedlock to Howard J. Barnes of Columbia. The nuptial knot was tied by the Rev. Elmer Sensenig, pastor of the Marietta Zion Reformed Church.

### Peck—Newcomer

Word was received in Marietta on Thursday announcing the marriage of Harry T. Peck a former Mariettian, at Los Angeles, Cal., on Wednesday, August 19, 1914, to Miss Elizabeth M. Newcomer of that city. Miss Newcomer is also a former resident of Lancaster County, having resided near Lancaster until she removed to California several years ago.

### Ministerial Meeting

The first meeting of the Ministerial Association was held at the parsonage of the Methodist Church on Monday forenoon. The following ministers were present: Revs. Kern, Bossert, Long, Barr, Johnston and Rishel. Rev. Bossert presided. Rev. Rishel offered the opening prayer and Rev. Long the closing prayer. Rev. Kern read the minutes of the previous meeting. Following the disposal of the regular business, Rev. Johnston read a paper on "The Christian Sabbath and Present day Disposition." By special request he read an article in The Homiletic Review of 1890, by Prof. Stuckenborg, on "Peace and War." A vote of thanks was tendered Rev. Johnston. The next meeting will be held in the parsonage of the United Evangelical Church on Monday, Oct. 5.

Donald the five-year-old son of Dr. George R. Kersey, East High street is in a precarious condition at his home as the result of eating nearly a whole box of strychnine pills that his mother had placed on the sideboard. The little fellow espied the box and thinking the contents were candies ate them. He was soon taken with spasms and has been in an unconscious state ever since. Four physicians have worked over him since he became ill. The boy took the strychnine on Friday afternoon. All efforts to administer medicines are futile because the child's jaws have been locked. There is very little hope of the boy's recovery.

## FARM ANIMALS

### EXERCISE NEEDED BY COLT

Keep the Youngster Growing From Start to Finish, Keeping it Fat and Thrifty.

While the foal is young and the mare is at work it is best to leave the foal in the stable. See that the mare is not too hot when she is left in the stall at noon and night for the foal to take nourishment.

As soon as the foal begins to nibble at dry feed and grass encourage it in eating by placing feed within reach.

While the mare is away let it have the run of a lot or pasture, if such lot or pasture is fenced so that the young animal will not injure itself. Barbed wire is dangerous.

The colt, as well as all young animals, must have abundance of exercise for its best development and health. For this reason turn the mare and the foal in the pasture as often as possible.

Whenever possible let the foal follow the mare in the field, since the exercise and feed it will secure will help it to grow and become strong.

The horse, by nature, likes the open air and free range. When the colt is weaned in the fall give it the range of a good pasture with a feed of oats or some other muscle or bone-forming foods morning and evening.

Shelter it in bad weather, but keep it in the open pasture, as much as possible in good weather, even in the winter.

It will not mind the cold if it is dry and has all it wants to eat. Its future strength and durability will depend to a large extent upon its muscular exercise in the open air and sunlight.

Never let it be hungry. The more and better feed you give the colt and the faster you make it grow the more clear money it will make on the feeds and labor given it.

Keep the young colt growing rapidly from start to finish. Never let it become poor and stunted, but keep it fat and thrifty. Feed it oats, corn, wheat bran, shorts, a little oil meal and good clover and other hay.

### GOOD RETURNS FROM SHEEP

Will Prove Desirable Addition to the Average Farm—Do Not Stock Up Heavily at Start.

A few sheep on the average farm, if cared for properly, will give good financial returns. A person starting into the sheep business should not stock up heavily until he has learned

Every Farmer Should Have a Few Sheep.

how to handle it, because sheep growing is an uncertain business for the man who knows little about it.

Sheep are sometimes called the plant-scavengers of the farm. They will thrive on more kinds of weeds than will any other domestic animals. They may be used for cleaning up weedy corn fields or small corners and waste patches of grass and weeds.

Sheep growing has its drawbacks. Coyotes and dogs cause sheep growers much trouble in some localities. To make a success of growing sheep you must give them a great deal of attention, especially at lambing time. The fences ordinarily found on farms are not tight enough to keep the sheep from going where they please.

### ERADICATION OF PIG WORMS

Formula Given Out by Veterinary College at Ames, Ia.—Does Not Affect the Eggs.

The veterinary college at Ames, Ia., has announced the following formula for the eradication of worms in pigs: "Santonin, one grain per thirty to eighty-pound shoats; areca nut, one-half grain per pound live weight; four grains santonin is the maximum dose for a large hog. Keep the hogs off feed for 24 hours. Mix enough of the medicine in a thin slop for 20 hogs. Feed in a clean trough. Repeat treatment in 30 days, as eggs of worms in the intestines will not be affected by this treatment and a new crop of worms will result."

### Profit in Grazing.

It does not necessarily follow that because a hog is grazing, that he is making the owner money. He must have more than the maintenance amount of food if there is profit in it.

This world is not iron ring on which every one has his eye set.

## The Last Vacation Month For The Youngsters

### Make It a Very Happy One

After August comes September and—School! Here and there, there is a studious youngster who really longs for school to begin; but most "kids" would like to see August three months long.

You can't lengthen the month for your children but you can multiply its happiness by being generously liberal with Chiques Rock Soda Water.
