A piano recital the first to be given in this section, was held Saturday evening in the High school room by the pupils of Miss Gertrude Y. Villee, pianist, assisted by Miss Lucy E. Thompson, vocalist. The room was crowded with relatives and friends of the scholars, and Maytown was well represented, as there were a number of pupils from that place, who participated. The front of the room was very beautifully decorated and the affair was a great success. Following a good program, congratulations were in order, all pronouncing it a grand success. Miss Villee is a graduate of the late Miss Amy Oberlin, of Columbia and besides playing the piano, can master the cornet and pipe organ with some ability.

ADVERSE REPORT

Viewers Do Not Favor Vacation of Masonic Home Road

The report of M. N. Brubaker, George A. Love and Edwin C. Diller, viewers to vacate a road in West Donegal township and lay out another in lieu thereof was filed in court Monday morning. The viewers' report is adverse to the vacation of the road and laying out another in lieu thereof.

The road that the petitioners ask to have vacated passes through the Masonic ground and the petitioners allege they are put to great inconvenience and wanted another laid out in lieu thereof. The view attracted a large number of farmers who asked for a new road and there were also a number of the residents of the township who want the present road to remain. The case will be argued at the December term of court.

HAD A NARROW ESCAPE

Wagon Dashes Against a Telephone Pole—Occupants Escape

Mr. and Mrs. Abraham Winters, of near Stevens Hill, had a very narrow escape from being killed on Saturday morning while on their way to market in a closed wagon. The horse they were driving took fright at some object in the road and dashed to the side of the road, bolting into a telephone pole. The shock of the collision overturned the wagon, and the frightened animal began to drag it after him over the road. Finally the single tree broke, which is the thing that saved them from being seriously injured. For a time the occupants were unable to extricate themselves, as they were stunned from the dragging. Mr. Winters had his right hand badly cut, besides being bruised on the back, and his wife suffers greatly from the shock. The horse ran to the farm of Harvey Gingrich, where he was caught.

First Dose Ends Indigestion Heartburn, or Gas on Stomach

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking Tonaline Tablets.

People with weak stomachs should take Tonaline Tablets occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach, or belching of undigested food, headaches, dizziness or sick stomach; and besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved five minutes after taking Tonaline Tablets.

Go to your druggist and get a \$1.00 box of Tonaline Tablets and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh and you will know there are no going to be any more bad nights and miserable days for you. Tonaline tabs freshen you and make you feel like life is worth living.

Tonaline Tablets cost \$1.00 for a 50 days' treatment. At druggists or mailed by American Proprietary Co., Boston, Mass.

In behalf of the young people, Miss Minnich presented Miss Miller with a beautiful good luck pin and in a few well-chosen words expressed the sentiment of those present. Games and amusements were indulged in until refreshments were served, and the entire evening was a time of fun and merriment. Those who attended were: Misses Barbara E. Minnich, Emma Long, Harriet Billet, Beulah Danner, Esther Heiss, Ruth Hoffman, Myrl Baker, Esther Mumma, Vera Herr, Sue Nissley, Helen Miller, Lucy Miller; Messrs. Slow Work on State Road

There is lots of complaint about the slow progress being made by the State Highway on the pike between Middletown and Elizabethtown. Although the gang at the west end are at it about six or seven weeks barely a mile of the work is finished and piles of stones are scattered along the way. The crusher is stopped. Some of the men have been laid off and it is said for lack of funds work will soon stop on the entire job. Then it will lie there again in that unfinished condition. The gang at the eastern end, it is said, are making better progress.
