Lester T. Krodel - Lester T. Krodel, aged 6 years, 3 months, and 10 days, died at Elizabethtown on Wednesday evening of diphtheria. He was a son of T. J. Krodel and wife. The family formerly lived here. The funeral was held Thursday afternoon, with short services and interment in Mt. Tunnel cemetery.

Mrs. Henry B. Wolgemuth - The funeral of Mrs. Henry B. Wolgemuth of near Elizabethtown, who died suddenly last Wednesday morning from shock, due to the destruction of her home by fire, was held Saturday morning, with services at Mt. Pleasant Church, Revs. Martin and Landis officiated. Interment was made in the Mt. Pleasant Cemetery.

David Bomberger - David Bomberger of Manheim, died yesterday at noon, from complications incidental to old age, in his 83rd year. The following children survive: Lizzie, Danina, Anna, and Mrs. Henry Brubaker. The funeral services will be held on Saturday morning at 9 o'clock. Services will also be held in the Manheim Mennonite Church. Interment will be made in Kauffman's Cemetery.

Mrs. Amanda Galebach - Mrs. Amanda Galebach, wife of Jacob Galebach, died Saturday evening at 5 o'clock at her home in Elizabethtown, aged 45 years. Death was due to cancer, after a lingering illness. The deceased is survived by her husband. She was a consistent member of St. Paul's U. B. Church. The funeral was held yesterday afternoon at 2 o'clock from her late home and at 2:30 at the U. B. Church. Interment was made in Mt. Tunnel Cemetery. Jacob Frey, who died on Friday, is a brother of the deceased.

Mrs. Sallie Balmer - Mrs. Sallie Balmer, widow of the late John Balmer, died suddenly on Friday morning at her home, Elizabethtown. She was seventy years old, and death was due to heart trouble. She retired as usual on Thursday evening and although she had been suffering for some time, did not appear to be worse than usual. At about 1:50 that morning her daughter Margaret heard a peculiar noise in her mother's room and hastening there, found her unconscious. Dr. Vere Trechler was summoned, but pronounced the woman dead when he arrived.

Mrs. Sarah Saylor - Mrs. Sarah Saylor, wife of William Saylor, died at her home in Florin very unexpectedly on Sunday morning after a brief illness, death resulting from a stroke and hemorrhages. When she became ill she was alone. Her husband is the night watchman at the New Standard Hardware Works, in this place. On Saturday night her son Frank arrived home and when he entered the house, found her lying on the floor, with her face covered with blood. At first it was thought she was the victim of thieves. Dr. Jno. J. Newpher was summoned and it was found that she was suffering from a stroke and hemorrhages, and expired early Sunday morning. Deceased was a member of the Methodist Church, and was aged 65 years, 3 months and 20 days. She was the daughter of the late Peter Neuman and besides her husband leaves an adopted son Frank Saylor at St.

Editorial - Have you noticed any advertising or reading matter in any of the weeklies in this county relative to the county fair? NO, spelled with a big "N." Why not? Surely that's a question that needs explanation. Just how our county fair was advertised we are unable to say, but one thing we are certain of and that is that it was the most poorly advertised fair in the state. We do not care what amount of money was spent in that direction, it was not expended in the proper manner in our estimation. The cheapest and best advertising that can be given any fair is done thru the county's weeklies. Heretofore an editor was the recipient of a few "measly comps" and in return he due to \$5 to \$25 worth of advertising absolutely free. But this year things are different. Nothing was done in that direction and thank goodness for that much of it. We hope the wide awake newspaper man can see his gain and it is a certainty that the fair management will realize by the end of the week that a little cash should have been spent in newspaper advertising.

Why Mount Joy Merchants Should Advertise in the Bulletin - Each pen contains one pair of foxes, and the mating season lasts from January to March and April. During the mating season the animals are suspicious and timid, and ranches are rigidly closed to visitors between December and June.

Why Mount Joy Merchants Should Advertise in the Bulletin - At this time it may not be out of place to give those contemplating making real estate sales a little advice so here goes.

Remember the first and foremost essential in getting a good price for your property is to thoroughly advertise it. Get a good, neat and attractive sale bill printed, telling of the advantages of your property. In that manner you will get many competitive bidders and good bidders will make good sales.

First, by an attractive and well written sale bill. Second, by an advertisement in a paper that circulates hundreds and hundreds of papers weekly in the community surrounding your property. Now that's just where we shine. We can print you a poster second to none because we have the equipment and as to the advertising, we insert free notice in our register weekly, (provided we print the sale bills). Doesn't that listen interesting? Our best evidence that we can "drive the goods" is the good sales ground in the past, the bills for which were paid at this office.

Let's See, What Was His Name? - In 1908 we experienced a very lively contest for the Presidency and Vice Presidency. No great discovery or catastrophe received more space in the public print than did the utterances, the goings and the comings of the four candidates representing the two great parties. It would seem impossible for any one to forget the names of these men. Can you name the candidate for the Vice Presidency on the ticket with Mr. Bryan? Oblivion is the price of silence. Mr. Bryan's name has been kept before the public. His running mate is forgotten. Don't let the public forget you. Use the Bulletin.

Inspection to be Rigid - State School Code Rules to be Strictly Enforced - A thorough sanitary survey and medical inspection of all schools of Lancaster City and County was started yesterday by State Inspector J. L. Mowery and a corps of assistants. The school houses in every district will be thoroughly investigated as to any unsanitary surroundings, and all defects will have to be remedied. Each pupil will also be examined for any trace of contagious or infectious disease, and advice will be given to children proving in any way unhealthy.

Taken to the Hospital - Mrs. Herman Miller of this place, was taken to the hospital at Lancaster, suffering with typhoid fever and appendicitis. There are slight hopes for her recovery.

Use the Telephone - We have both phones at our office. When you have a news item call the Bulletin office on either phone. We will be glad to take the news and publish it. Your neighbors will be glad to see it in print. Oysters don't grow any finer than these. Mrs. H. A. Darrenkamp, Mt. Joy.

FOR GOOD ROADS - Landis Bros., of Rheems, Make a Very Good Proposition to Community - For the benefit of the community and the development of Rheems the Landis Stone Meal Company of Rheems, Pa., is offering a fine grade of crushed stone at 60 cents per ton to the following townships:—West Donegal, East Donegal and Mount Joy to be used on roads for a distance not exceeding four miles from the above named place. This is a special price particularly for the purpose mentioned and is lower than the best at which the township can crush these stones themselves. This offer however is only open for this fall, or at such seasons of the year that their plant is not manufacturing Stone Meal.

This plant started the manufacture of stone meal several weeks ago and is about complete with the exception of a few minor details. Up to this time there has been about 300 tons of this meal sold. The plant is one of the most up to date of its kind. It consists of a rock crusher and four sets of pulverizing rolls built by the New Holland Machine Co. The stone are carried from quarry to crusher by an automobile dump car operated by a special friction drive hoist which was designed by the firm. The finished product is carried into bins of about 800 tons storage capacity from which same can be conveniently tapped. The power plant is one of the best type of steam plants to be had consisting of a 50 H. P. Corless type steam engine and a 90 H. P. boiler. The firm is prepared to fill all orders promptly.

Use the Telephone - We have both phones at our office. When you have a news item call the Bulletin office on either phone. We will be glad to take the news and publish it. Your neighbors will be glad to see it in print. Oysters don't grow any finer than these. Mrs. H. A. Darrenkamp, Mt. Joy.
