## The Call Of The Weather Is A Winter Suit

**A**ND THE CALL of the town for the very best of value in that Suit is the house that stands behind this advertisement.

Yes, any clothing store can say the same thing, but it's the store that proves its words by its reputation as the BIGGEST CLOTHING STORE IN THE COUNTY that can be relied upon.

We certainly "have the goods," else we could not have grown in the short period of about nine years to the commanding position of leadership in the Clothing Trade.

The Suit Values we give at from \$8.50 to \$25 will NOT be duplicated anywhere you go under from \$10 to \$28 and \$30. We have proved this so often that we have hundreds of customers who say they waste no more time in looking around elsewhere before coming here.

But we would rather YOU WOULD make a comparison of OUR values with the average run. Then when you are through you will only appreciate what we have to offer.

## Masonic Home News

Philadelphia is not only known as "Quaker City and City of Brotherly Love," but also as "City of Hospitality." It was, therefore, most natural that, when considering the subject of the erection of a memorial building on the Masonic Home Grounds, the members of the Fraternity in Philadelphia should select a hospital as their memorial. They surely could not have chosen one more appropriate, more useful and more needed, even at the present time.

Among a large number of both sexes, many advanced in years, together with a growing colony of children, there necessarily must be sickness at all times; besides, Masonic Charity, which is indiscriminating, has not excluded from the shelter of the Homes, the lame, the halt and the blind. Sufferers from locomotor-ataxia, paralysis and all forms of senile weakness are with us now, and cry aloud for hospital care.

We, therefore, learn with great satisfaction of the active movement now in progress in the Lodges of Philadelphia, to provide for the erection of this much desired building.

With a view of familiarizing its members with the character, extent and beauty of the great Masonic institution, and exciting their interest in this proposed memorial, on Wednesday, September 30, 1914, Hamilton Lodge, No. 274 F. & A. M. of Pennsylvania made a pilgrimage to the Homes, accompanied by their families and friends. They arrived at 11:30 A. M. to the number of 160 and were taken over the grounds in automobiles, shown through the buildings and regaled with a Grand Lodge Hall dinner in the great dining room. At the conclusion of the dinner, Worshipful Master, Sigmund Goldberger addressed the assemblage, expressing his pleasure in having so many of the members of his Lodge with their families present and the pleasure they all experienced at their visit, and the kindness and courtesy of their reception. He called upon Past Master, Michael Young, Junior Warden R. J. Ramsey and Secretary L. M. Weaver, who each in turn expressed their pleasure in their visit, spoke of the hospital project as the object of their visit and of their enthusiasm in the same. Superintendent, N. Franklin Heckler expressed the pleasure of the management and guests of the Homes in welcoming to their midst Hamilton Lodge No. 274, and their friends.

He stated that the Committee on Masonic Homes considered the guests of the Homes in proportion to the interest they manifested in the welfare of the Homes and judging from the standard of faithfulness and industry, Hamilton Lodge had a guest in the Homes in the person of Brother John Decker who occupied a position of highest consideration.

It has been said that without churches or fraternities, there would be retrogression. The Masonic Homes, in its aim for progression unites the two by bringing here, Sunday after Sunday, the clergy and members of all denominations, and judging from the crowds that assemble at these services, sect occupies a secondary position in worship among our visitors, as it does fraternally. There is much in our services to attract visitors, for here the most eminent clergymen and the best of music are to be heard.

Sunday, Oct. 4, 1914, appropriate services were held in accordance with President Wilson's proclamation, setting aside the day for prayer for peace in Europe.

Thru the kindly interest of Mr. R. C. Gingrich of Lawn, Pa., the Myers Bros. quartette of Palmyra was present to assist with their music.

The services were opened by the reading of the President's proclamation, followed by prayer for peace, by Bro. Wm. H. Sheaffer, Chaplain. An excellent sermon was delivered by Rev. Geo. R. Hovetter, Pastor of the Church of God, Elizabethtown, and the services were interspersed with the singing of Beautiful Land, In the Garden and Blue Gullies, by the Myers Quartette, and by a tenor solo, Open the Gates of the Temple, by Mr. Harry G. Witmyer of Palmyra.

These singers are well known in the musical world, having been heard in concert in a number of Counties of our State. Their singing was truly beautiful, of a high order and was greatly appreciated by a large audience.

The religious services for Sunday, Oct. 11, 1914, will be under the direction of Prince Edwin Logg, 486 of Middletown, Pa., followed by a sacred concert by the Saginaw Band of Saginaw, Pa. This fine musical will render the following: Salutation, March, God's Commands, Patriotic, Personal Medley, Hallelujah, Hallelujah Forever, Assurance; El-

## IN STERLING LIVES A GIRL

**Who Suffered As Many Girls Do—Tells How She Found Relief.**

Sterling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered a lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Miss BERTHA A. PELOQUIN, Box 116, Sterling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVISA MYRES, Box 74, Massena, N. Y.

**Young Girls, Heed This Advice.**  
Girls who are troubled with painful irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.
