Woman So Weak and Nervous Could Not Stand Her Chil-

Plant City, Fla.—"I wish I could tell everybody about Vinol. For nine years I was in bad health. I got so I could not sleep, and I could not stand it to have my children come near me. I could not even sew or do any heavy housework. I was simply tired all the time. I tried so many medicines I could not recall them all, but nothing did me any good. One day a friend asked me to try Vinol and said it was the best tonic she ever saw. I did so, and soon got the first good night's sleep I had had for a long time. Now I sleep well, my appetite is good, my nervousness is all gone and I

am so strong and well I do all my housework and work in my flower garden without feeling tired or nervous. Vinol has made me a well and happy woman.'

—Mrs. C. H. MILLER, Plant City, Fla. Vinol contains the curative, healing principles of fresh cod livers (without oil) and tonic iron.

We ask every weak, run-down, nervous person in this vicinity to try Vinol, our delicious cod liver and iron tonic without oil, on our guarantee to return their money if it fails to benefit. W. D. CHANDLER & CO.

This Is Ready-to-Wear Week

And Heavier Clothing is Needed Now That Winter is on the Wing

The mercury has taken a sudden tumble in the thermometer—and wintry blasts greet one at every turn. If time is to be taken by the forelock, heavier wearables should be selected immediately. And there is no other store in Lancaster, we believe, can show such wide assortments of Ready-to-Wear Goods as are overflowing our counters. And better values even we have seldom if ever shown. A partial list of the things many will be calling for today:

New Astrakhan Coats at \$5.95

Women's and Misses' sizes; in black, brown and navy; worth fully two times more.

New Fur Fabric Coats At \$9.95 and to \$47.50

The colder days will prove these to be the smartest and most desirable coats of the entire season's productions, and we are selling the genuine Soltex—made and guaranteed by the Solt's Manufacturing Company. These Fur fabrics are named Kurltex, Astratex, Plutex Seal, Lambtex, Arabian Lamb, etc., most wonderful values in the entire collection are at \$12.50, \$15.00 and \$18.50.

E. M. Hershey, counsel for the company, asked the court of Dauphin county for permission to file bonds aggregating \$3,400, to cover the properties desired. Judge S. J. M McCarrell fixed Monday morning as the time for the hearing.

John C. Nissley, who represents the farmers, declared that the objection raised against the proposed action, was based on the fact that the Hershey Trust company was named as surety.
