**Get Around On Saturday For A Balmacaan**

THE TIME has arriv," as Josh Billings would say, when a Top coat or an Overcoat has become an absolute necessity. When the temperature hovers around the freezing mark, it's time to bundle up.

You CAN get a Balmacaan or an Over Overcoat at a number of places, but you can't get them in anything near the large selection or at anything near as reasonable a price as you CAN at this house.

MEN WHO don't know us might think that this is an exaggeration or a mere "advertising statement," but if they take the time to look around at values elsewhere from \$10 to \$30 they will find that we are selling equally as good and in many cases better garments for from \$8.50 to \$25.

**This International Harvester Engine Fills Your Needs**

Of all the satisfactory machines that are built for the use of farmers and contractors, the I. H. C. tank-cooled engine is certainly one of the best. Steady as clock, ready and willing to do its work whenever there is work to do, it is getting a reputation for dependability which might be envied by any man.

This engine has the long cylinder and piston, the large bearings and heavy crank shaft, the heavy fly wheels and split hubs, the well designed base, and all the accessories that make up the engine it is possible to build. Its performance is in every way equal to its looks. This is the engine to buy, because of its very low cost per year of service.

The I. H. C. dealer has a demonstrating engine on his floor which you should see. Until you see it and see it at work, you cannot know as much as you should about oil engines.

**Masonic Home News**

On Monday, Oct. 26, forty-seven of the male guests of the Homes, in response to an invitation kindly extended by Perseverance Lodge, No. 21 of Harrisburg, to visit the Lodge as their guests, journeyed to Harrisburg in the afternoon for that purpose.

They were met by officers and members of the Lodge and escorted over the streets and thru parks of the city, in automobiles.

At 5 o'clock they were served an excellent dinner in the Masonic Temple and the evening was devoted to an exemplification of Masonic work. At the conclusion of the work, the guests were escorted to the station, and thence returned to the Homes.

It was a very gracious and kind brotherly act in Perseverance Lodge to thus generously remember their less fortunate brethren in the shelter of the Homes, and bring them to their own Lodge fireside, to recall to their minds, the principles and lessons of Freemasonry and to infuse sunshine into their lives.

The guests returned to the Homes, with hearts filled with gratitude to the officers and members of Perseverance Lodge, for their thoughtful kindness, and with enthusiasm for the beauties of the Capitol City, and the excellence of the Masonic work they saw exemplified. This generous act of Perseverance Lodge is unique, in that it is the first of its kind in the Masonic History of Pennsylvania, and entitles the Lodge to all credit due to the initiatory of all acts that are good.

As one of the Home's social entertainments, Miss M. Cecile Smith, on Thursday evening, Oct. 29, gave a piano recital by her pupils, which was much enjoyed by the guests and visiting friends; showed much progress in the pupil's musical education, and reflected great credit on Miss Smith's teaching. The program was varied with three beautifully rendered solos by Miss DeHuff of Maytown, whose well modulated voice was a pleasing variation to the instrumental numbers.

Following is the program: Cavalry March, Hompesch, Ruth Meckley and Esther Young; Flower Song, Lange, Dorothy Casey; Alpine Hut, Lange, Esther Sweigart; Cavalleria Rusticana, Mascagni Grace Keener and Laura Brandt; Melody of Love, Melody in F. Rubinstein, Ardella mezzo Engelmann, Emily Freymeyer; Autumn, Marguerite Brandt; Melody in F, Ardella Brandt; Marie, Richards, Beulah Loray; Invitation to the Dance, Von Weber, Ardella Brandt and Esther Breneman; Humoresque, Op. 101 No. 7, Dvorak, Dorothy Ricker; Maiden's Prayer, Badarzewska, Ruth Sheaffer; Lustpiel, Overture, Keler Bela, Ruth Wickenheiser; Il Trovatore, Dorn, Miriam Bard; Hungarian Rhapsody, Liszt, Esther Breneman and Ruth Wickenheiser; Lucia di Lammermoor, Donizetti, Elsie Snavely; Nocturne, (Fifth) Leybach, Ruth Meckley; (a) Scarf Dance, Chaminade, (b) Me Valse, Godard, Esther Breneman; Palms, Leybach, Ardella Brandt; Comrades in Arms, Hayes, Ruth Meckley and Ruth Wickenheiser.

There being no Lodges scheduled to conduct the religious services for Sunday, the Rev. I. N. Seldomridge, Pastor of the U. B. Church, and one of the Home's kind and obliging friends of the clergymen of Elizabethtown, who are ever ready to respond to its spiritual needs, accompanied by the excellent choir of his church, kindly performed that service.

It is safe to say that no more beautiful and impressive religious service has been heard within the walls of Grand Lodge Hall, than it was the privilege of the large audience gathered there, to hear on this occasion, which is a strong assertion to make, considering the high class of these services attained at the Homes.

A sermon which held the undivided attention and interest of, and carried conviction to the large congregation, was supplemented with the sweetest soul inspiring music which left nothing to be desired and sent everyone away with the feeling that it was good to have been there.

The choir sang in their unrivalled manner, the anthems, "Holy Spirit Faithful Guide," "Oh, Make Me Clean" and "Calvary." A beautiful duet, "In the Garden," was rendered with fine effect by the Misses Ruth and Olive Shiffer.

An interesting incident was the arrival of a troop of Boy Scouts from Mount Joy, who participated in the services.

There were also present an unusual number of visitors who arrived in time to participate, previous to visiting the Homes.

**THE CHARM OF MOTHERHOOD**

Enhanced By Perfect Physical Health.

The experience of Motherhood is a crying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Of course nearly every woman nowadays has medical treatment at such times, but many approach the experience with an organism unfitted for the trial of strength, and when it is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results.

There is nothing more charming than a happy and healthy mother of children, and indeed child-birth under the right conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, and with ample time in which to prepare, women will persist in going blindly to the trial.

Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

**TOBACCO LOOKS VERY GOOD**

Growers Believe That Buyers Will Be More Discriminating

This weather is just what the hanging tobacco needs to properly cure it. While it was so warm and dry it was curing entirely too rapidly.

The hanging tobacco certainly looks fine. It has a beautiful color and a few samples of some of the early cut that we have seen, shows a fine texture. It is not likely that there will be any stripping done for some time yet as farmers are busy with their corn and have just about finished sowing their wheat. Owing to the dry weather they had gotten late with all their work. It is just about as well that they cannot get at their tobacco as for years a great many farmers were too much in a hurry with it and stripped it entirely too early. No tobacco should be stripped until the stalk is entirely cured, nor should they take any down unless it is in good condition as artificial dampening is not so good.

The farmers of this county claim to have one of the best crops this year that they have had for a long time and expect to get a fair price for it. This depends very largely on themselves. If they handle and put it up in good condition their hopes will be realized but if they handle it like corn fodder they cannot expect it.

We do not believe that this crop will be bought pell mell at about one figure as it has too often in former years, but that it will be mostly bought on its merits and it will pay to have that in view when handling it and it will not pay to hurry it up. There will be plenty of time to handle it during the winter.

The few buyers who are going around are getting a cold shoulder from the farmers who seem to be unwilling to put a price on it or even to talk about selling at present. In this they are right; the selling on the poles in this county never has been satisfactory and very often has caused trouble while in some states it seems to be popular and we notice already a good deal has been sold and at good prices.

Some of our packers who operate in other states are buying considerable and say they are getting good tobacco.

Over in York county the dry weather was more serious than it was in this county and tobacco suffered more than it did here, but farmers claim to have considerable of a good quality in that county as in this the average is much lower than it was last year.

Trade in old goods is good and manufacturers are buying right along when they can find anything to suit them. In fact lots of goods that were turned down a few months ago are now being sought and a higher price than would have been paid earlier.

It looks as though the 1913 which the packers say is coming out all right will meet with an early market.

The cigar business is really good, much better than usual at this time of the year.

Elam is One of Them

Mr. Elam R. Brubaker, residing on Route No. 2 from this place, was one of the young men that won a one-day trip to Philadelphia in the recent county corn growing contest conducted by the County Fair Association. The trip with a number of others, will be made on Friday, Nov. 13.
