NATURE'S WARNING

Mount Joy People Must Recognize and Heed it

Kidney ills come—mysteriously. But nature generally warns you. Notice the kidney secretions. See if the color is unnatural—

If there are settlements and sediment, Passages frequent, scanty, painful. Its time to fear serious kidney trouble.

It's time to use Doan's Kidney Pills.

Doan's have done great work in this locality.

Paul McDevitt, E. Second St., Marietta, Pa., says: "I was troubled for a long time by pain in my kidneys, brought on by a hard cold. It was almost impossible for me to attend to my work and the various remedies I used, brought no relief. I also tried plasters without success. Finally, someone told me to take Doan's Kidney Pills and I did so. They did good work. Anyone who has kidney trouble will make a mistake by not giving Doan's Kidney Pills a trial."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McDevitt had. Foster-McClellan Co., Buffalo, N. Y.
