SPECIAL TO WOMEN
 The most economical, cleansing and germicidal of all antiseptics is

Paxtine
 A soluble Antiseptic Powder to be dissolved in water as needed.
 As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine illness has no equal. For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been cured say it is "worth its weight in gold." At drugists. 50c. large box, or by mail, the Paxtine Toilet Co., Boston, Mass.

RHEUMATISM
 This nerve-racking disease is caused from impure blood and uric acid poison. External applications sometimes give temporary relief but won't cure; the sure way to secure permanent relief is to thoroughly eradicate from the blood all the impurities. Nothing on earth will drive out the poisons from your system, keep the bowels, kidneys and liver in good condition as SEVEN BARKS, the wonderful remedy that has proved its great merits the past 42 years.
 SEVEN BARKS can be had of all druggists, at 50 cents per bottle. Give it a good trial and watch your rheumatism disappear.

Money From Hunter's Licenses
 The issuance of hunters' licenses in Pennsylvania will go pretty close to the figure of 305,000 for last year. The issuance in the large cities is said to be larger than last year. The next Legislature will have over \$400,000 to appropriate as a result of the operation of the law in two years. One-half of this money will go to the reimbursement of counties for payment of bounties on scalps of noxious animals and birds, and the other half will be to aid in establishment of game preserves and in game propagation. It is the plan to establish six additional preserves, the sites having been tentatively selected.

It's Some Store

He advertises a city store in a country town and his assertion is only too true. One can only appreciate this by a visit to his store. He always carries a fresh line of sanitary goods and is deserving of a share of your patronage.

Wants \$5,000 For Joyride
 A Guest Sues Host for Injuries Received in Automobile Accident
 Mary E. and George B. Hoover have entered suit in the court of common pleas against J. H. Keener of Maytown. Mrs. Hoover was a guest at the defendant's home and he took her for an automobile ride. Thru alleged reckless driving the auto was wrecked and Mrs. Hoover was injured. A leg was broken and she was otherwise injured and she and her husband have brought this suit to recover \$5,000 damages.
 The suit is the outgrowth of a joyride on the night Hon. W. J. Bryan spoke in Columbia. Keener, Mrs. Hoover and another friend were in Columbia. On the return trip to Maytown the auto which Keener was driving left the turnpike just outside of Columbia, and besides doing a lot of damage, almost killed two of the occupants, including Mrs. Hoover.

Three Nights This Week
 The Albert Dwight Players, open a 3 days' engagement at the Mt. Joy Hall, Thursday evening, Nov. 26 presenting for the first time in this town, Edward Hermans' Comedy Drama of Rural life, "The Tramp and The Girl"
 The play is a worthy successor to "Way Down East," containing a pretty love story, a little Pathos, and plenty of good wholesome comedy, skillfully blended, making a splendid play, that will please all.
 The presenting company is an excellent one and is headed by Miss Nellie Booth and Mr. Albert Dwight. This company has a splendid reputation and is highly recommended by both press and public. Manager Condran of the Realty Theatre, Middletown was so pleased with the company after playing his theatre last week that he held them over for the first half of the present week, which speaks volumes for the show.
 The Albert Dwight Players, is a guaranteed attraction and to miss seeing them means the loss of an evening of pleasure.
