

Why Do We Sell International Harvester Engines?

WE recommend and sell International Harvester oil and gas engines because of the universal satisfaction they give to our customers. The weight is satisfaction they give to our customers. The weight is ample and is in the right place; the castings are sand-cooled, insuring evenness of texture and strength; the design of every partis of the most approved type; simple, yet complete in every detail; easy to manage, requiring little attention beyond regular oiling; developing from 10 to 30 per cent more than their rated horse-power. I H C engines of all sizes make friends wherever they go.

This series of advertisements will explain fully why I H C engines are such good value. One or two features will be taken up at a time, so that when you are through with the series you will be well posted on engines. All the time these advertisements are running we shall have a demonstrating engine on the floor here, ready to show you what to expect for your money when you buy an I H C engine.

GARBER-ERB

able Ceremony Takes Place at Erb Near the Cloister

On Thursday at 2 p. m., the home of Mr. and Mrs. S. D. Erb, residing along the Clay & Hinkletown turnpike, midway between Ephrata and Lincoln, near the Cloister, was the scene of a beautiful wedding, the occasion being the marriage of their daughter, Miss Carrie Virginia to Andrew Herr Garber, who is in partnership in the flour and feed business with his father Andrew M. Garber, of Lancaster. The groom was born and raised at Chickies where he assisted his father in the milling business and is very widely known thru here. The ceremony was performed by Rev. Martin W. Schweitzer, in the spacious parlor which had been turned into a bower of beauty, the decorations being crow foot, laurel, cut flowers and potted plants. The ring ceremony was preformed under an arch at one end of the room which was the principal feature of the decorations. The bride was gowned in a beautiful dress of white crepe meteor, trimmed in princess lace and ribbon, and she carried a shower bouquet of Bridal roses. The bridal party entered the parlor to the strains of the wedding march played by Miss Alma Hershey, of Landisville. The bride was attended by Miss Laura Burkholder. of Leacock, a cousin and Miss Ella Habecker, of Rohrerstown, as bridesmaids. They were gowned in pale green messaline trimmed with chif

The father of the bride wore the conventional black, while the mother wore a handsome blue silk poplin dress. The entire assemblage, decoration and the colonial residence made a most beautiful and notable scene. The ushers were: Harvey Burkholder, of Leacock, a cousin of the bride, and Norman Badorf, of Lititz. Over one hundred guests were in attendance. A reception followed the ceremony, after which an elegant wedding dinner was served, the caterer being Mrs. Henry Stegeman, of the Iris Club, Lancaster, who made her first appearance in the northern end and certainly won most signal honors. About 4 o'clock the happy couple left by automobile for Lancaster from which place they left for Washington, Baltimore and Philadelphia on a wedding trip. On their return they will reside at the Erb home. The bride received many beautiful and valuable presents. Guests were present from Newark, N. J.; Philadelphia, Plymouth, Lancaster, Ephrata, New Holland, Millersville, New Danville, Mt. Joy, Eden, Lititz, Lincoln, etc.

Special service on the Ephrata and Lebanon electric road and auto transferred the guests. It was certainly one of the occasions of the historic community.
