WHY MOUNT JOY MERCHANTS SHOULD ADVERTISE IN THE BULLETIN

Preaching vs. Practice

If one of your competitors were to "spring" an innovation in the way of a sale, a new matter of displaying merchandise—anything at all—

You would do the same thing just as soon as you could, if you considered it of value to your business.

Why copy them in the small things and not in the big things? The greatest business men are the warmest advocates of advertising.

The fact that they practice what they preach is the factor which made them the greatest business men.

Money spent in the Bulletin will be of far more benefit to you than a thousand times the same amount in the bank.

"Wondertown" Is Doll Town

Santa knows. Really, tho, that's what Santa says—and the collection of dolls rivals the recent exhibition of prize dolls in variety, there being all kinds from the character dolls to the beautifully dressed "ladies."

Visit Santa in Wondertown

Anxious to see all his friends in Lancaster city and Co., Santa spends considerable time among the toys and dolls in Wondertown and does as much of his work there as he can do in a small workshop. His hours in Wondertown are from 9 to 11:30 in the mornings and from 2 to 4 in the afternoons. "Wondertown" is in basement.

Saturday is the last day of voting in the annual Santa Claus drawing. Competition and your children or neighbor's children who have entered the contest, will surely appreciate your vote. Exhibition on fourth floor—Rug and Carpet Store.
