WHY MOUNT JOY MERCHANTS SHOULD ADVERTISE IN THE BULLETIN

The Royal Baking Powder business was sold not long ago.

For the name alone the owners received \$1,200,000.00.

Building and equipment were a mere side issue. A better factory and more up-to-date equipment could be obtained in a short space of time by the expenditure of a few thousand dollars, but to develop a trade name until it became as valuable as the Royal Baking Powder brand would have taken many years and the expenditure of hundreds of thousands of dollars for advertising.
