## Held An Inquest Last Evening Coroner's Jury Say Kesselring's Death Was An Accident

The County Coroner yesterday instructed Deputy Coroner B. S. Dillinger to hold an inquest. Mr. Dillinger got right on the job and empaneled the following jury: Messrs. H. K. Nissley, M. M. Leib, P. E. Getz, James Glatfelter, W. B. Bender and Jno. E. Schroll. These jurymen together with Coroner Dillinger and his physician, Dr. J. J. Newpher went to the scene of the accident and viewed the same. They then went to Landis' Garage at Rheems and saw the motorcycle which was ridden by Messrs. Inners and Kesselring--after which they went to the home of Mr. Inners at Pleasant Hill and took his testimony. The jury adjourned until 7:30.

The body of Mr. Kesselring was brought here from Lancaster last evening by Undertaker H. C. Brunner and taken to the home of his parents.

The jury reconvened at this office last evening at 7:30. First the jurors inspected the dead body of the unfortunate young man after which Coroner Dillinger proceeded to hear the various witnesses in the case.

**Victor Stauffer's Testimony**  
Mr. Victor Stauffer testified that he was on his way from Lancaster to his home at Harrisburg; that he was only running at a moderate rate of speed when he saw a motorcycle approaching which he said was wobbling. He turned to the right side of the road when all of a sudden there was a collision. He immediately stopped his car, assisted the injured young man, brought them here to Dr. Thome's office, after which he took Kesselring to the hospital. He was driving a 1915 Chalmers touring car and has been operating an auto for two years, this being his first accident.

## Horse Runs Away; Breaks Leg; Is Shot

### A Daughter of Harry Brandt Slightly Injured in Runaway Monday

There was a runaway at Florin Monday morning whereby a valuable horse broke its leg and had to be shot and a young lady was slightly injured.

Mr. Keener Hossler, a son of Michael Hossler, north of this place, delivered a load of milk at the Florin Milk Station that morning. After unloading the milk he started to drive away when his horse started to run. The wagon struck the stable of the Carson estate. There the horse broke loose from the wagon and ran down the narrow alley toward E. S. Moore's mill.

Three other milk teams were coming up the alley at the time.

The horse in its mad dash passed the first team but ran into the second team and ran into the stable of Mr. E. S. Moore, where it was stopped. In the mix-up with the team the left hind leg of the animal was broken and it was shot afterward to end its suffering. The horse was a fine five-year-old and only two weeks ago Mr. Hossler refused an offer of \$250 for him.

## Rev. Shearer's Home Destroyed

### Fire Was Caused by an Overheated Chimney--Nothing Saved

From the Lancaster Morning Journal, and thence to the other structures. The home and outbuildings on the farm of Rev. Martin Shearer were completely destroyed by fire about 5 o'clock yesterday afternoon.

Originating from an overheated chimney, the flames spread with lightning rapidity through the house and destroyed the house and outbuildings on the farm of Rev. Martin Shearer were completely destroyed by fire about 5 o'clock yesterday afternoon.

Nothing was saved from the house except some few pieces of wearing apparel. Rev. Shearer and his family were driven from the house by time and smoke and were not given time to save any of their valuables.
