### Memorial Day--1915

Don't Forget to Unfurl Old Glory at Your Home Next Monday

The following was composed expressly for the Mount Joy Bulletin, appropriate to the occasion, by our townsman, Mr. John Hallgren, who is quite an adept in that line:

Hoist the stars and the stripes to the balmy breeze  
That is playing 'round valley and hill  
And bedeck the dear homestead and fences and trees  
With colors that patriotism thrill  
For that brave little band of old soldiers in blue  
Who is shrinking in number each year  
But who once in their youth were those colors true,  
When the land was in woeful despair.

Hoist the stars and the stripes to the balmy breeze  
That is playing 'round valley and hill  
And bedeck the dear homestead and fences and trees  
With colors that patriotism thrill  
For the heroes in blue, who in tottering march  
Yet are leading the festive parade,  
On the brink of their life through the triumph arch  
Where they'll join with the great myriad.

Cheer them up, the old soldiers, and bless their heart  
For the milestones are passing so fast  
And the further ahead they seem less apart  
And they soon will have passed by the last.  
Cheer them up with the flags and them show with pride  
To your children and grandchildren dear  
As the heroes who gladly in arms had died  
In their fight for the right without fear.

On Memorial Hill where the valiant sleep,  
Under stones in a closefitting row  
Lay the roseburden wreaths under silence deep  
As an honor to heroes below.  
For as long as are shifting the flood and tide,  
Whatever our happiness mars,  
We shall point to the freedom of slaves with pride  
And the purity of stripes and the stars.

#### MORE OLD COINS

Mr. Walter Brown of This Place, Has a very Rare Collection

Since the old coin question has been started, we have been shown a number of very rare specimens and there are collections in this town that we doubt whether they can be equaled by individuals.

**F. E. Hershey's Collection**  
Mr. F. E. Hershey of this place, showed us a collection of coins yesterday that is hard to beat for age. He has a copper half cent dated 1805; a cent dated 1802; an English dollar of 1794; a shilling of 1772 and an English copper coin of 1740. The latter is just 175 years old and we doubt whether any one can beat it.

**Mrs. Ricksecker's Collection**  
Mrs. Ricksecker, wife of Councilman Charles Ricksecker on West Main street, has a German calendar dated 1758.

**Mr. Walter Brown's Collection**  
Mr. Walter Brown, a member of the extensive manufacturing firm of Geo. Brown's Sons, has one of the most complete collections of old coins we ever heard of. His collection includes very rare pieces of money. Beginning in the year 1780 he has a cent for every year up to the present time, with the exception

of a few years along about 1830. In the near future we expect to publish a list of these coins.

#### A BIG TIME JUNE 1st

The Odd Fellows Will Initiate a Class of About 25  
Mount Joy Lodge, No. 277, Improved Order of Odd Fellows, one of the strongest secret societies in the town, is making a great and successful effort to increase its membership. Several weeks ago it was decided to try and admit a class of twenty new members. Thus far twenty-two have been elected to membership and there is every indication that the class will number twenty-five.

This class will be admitted on Tuesday evening, June 1st. The Degree Staff of Monterey Lodge of Lancaster, will confer the initiation and first degree. The District Deputy Grand Master and a number of other officials will be present. After the meeting and initiation work the members will partake of a banquet at proprietor Henry Engle's Exchange Hotel.

Mr. Jacob Fry of Milton Grove, has purchased a Saxon automobile.

#### BRUSH WOMAN "RAILROADED"

Was Playing Carrie Nation at the Florin Depot and Got Pinched

The supposed "brush woman" got into the toils of the law again but sure is in wrong this time and before she gets thru she will find that the officials of the Pennsylvania Railroad Company are not as big and kind hearted as were our constables last week.

She went to the depot at Florin Saturday noon, carrying a bottle of beer, a flask of gin, an umbrella and a beautiful "bun." She amused herself poking her umbrella thru the windows in the waiting room, in spite of the protests of the station agent, Mr. Cox. She wasn't satisfied either until she had broken seven window panes.

Mr. Cox telegraphed to Harrisburg for an officer who put in an appearance later, a thru train having been stopped for him. The female was arrested and taken to Lancaster at noon. When on the train she positively refused to sit in a seat and was therefore given a first-class lower berth on the floor of the baggage coach.

When she was arrested here last week she positively refused to give any name but to these officers she said her name was Bessie Noland, that she was housekeeper for John Griffenberger, who resides four miles from Elizabethtown.

She was given a partial hearing Monday morning before Alderman Stauffer at Lancaster, but the hearing was continued until additional witnesses could be secured and the accused was committed to jail.

#### An Unfortunate Trip

Mrs. J. H. Cramer and son Ralph returned home Sunday from a trip to Philadelphia and New York. While visiting at the home of her sister in the former city Mrs. Cramer met with an accident. She was descending a flight of steps and when at the bottom, became dizzy and fell, fracturing her nose. Mrs. Cramer is sure unlucky if there is anything like it. Only last January she had a similar fall at her home, tearing the ligaments in her foot.

#### Removed to the Hospital

On Thursday Dr. W. M. Thome of this place, removed Miss Ruth Trostle of East Donegal, to the General Hospital at Lancaster, for an operation for appendicitis. At the same time her brother was also removed to the same institution for treatment.

#### Will Run a Jitney

Mr. Homer Barr will have several jitney cars running from the park here to either the Eberle, Florin, Lincoln and Mt. Joy cemeteries all day next Monday.

#### Ladies' Auxiliary Meeting

The regular monthly meeting of the Ladies' Auxiliary of the General Hospital will be held at the home of Mrs. John Longenecker Thursday afternoon, June 3rd at 3 o'clock. 2t.

#### FOR A MEMORIAL

"Dolly" Taylor's Will Provides for an Iron Fence at the Lincoln Cemetery

It will be of interest to know that by the terms of the last will and testament of the late "Dolly" (Margaret) Taylor, colored, of this place, which was admitted to probate within the past week, with Mr. H. C. Brunner as executor, among other bequests she makes the following:  
"I authorize my executor to erect a fence at the front of the Lincoln Cemetery, in Mount Joy township, to correspond with the front fence of the Mount Joy Cemetery, to be similar in material, detail, design and gateway, and to pay for same out of my estate. Same is to be a memorial to me."  
The will also includes a number of private benefactions.  
It will be remembered that only a few years ago the Mount Joy Cemetery Association erected a fine iron fence along the front of the cemetery. The Lincoln Cemetery adjoins this cemetery on the west and this bequest will surely add to the already beautiful appearance of these widely known and up-to-date burial grounds.
