WEEKLY LETTER WRITTEN EXPRESSLY FOR THIS PAPER BY A GUEST AT THE HOMES

Even the delivery of an illustrated lecture is not too difficult a proposition for solution for the guests of the Homes, as was demonstrated on Tuesday evening, June 20, 1916, on which occasion Brother Dallas M. De Huze, a guest of the homes and a member of Cassia Lodge, No. 273 of Ardmore, delivered his lecture on "Scenes in my life as a soldier in the Civil War" and illustrated it with a large number of lantern slides, depicting not only many stirring scenes of the war of the Rebellion, but also the principal commanders and directors of the conflict.

He spoke of the effect of the election of President Lincoln in 1860, upon the south resulting in the formation of the Confederacy, the firing on Fort Sumpter, the call of 75,000 volunteers, the disaster of Bull Run, with its realization of the danger which threatened the Nation, and the call for 300,000 men which followed. It was then, that although a boy of little over sixteen years of age, his patriotism was aroused and he enlisted in the 11th Regiment Pennsylvania Cavalry. He detailed his early experiences in camp life, and the making of a soldier. Landing at Yorktown, they marched to Guuster Point, whence in the rigors of Winter, they experienced the hardships and discomforts of soldier-life. Thence to Williamsburg, scouting towards Richmond, engaging in raids and skirmishes for food. Then to Portsmouth, Va., and on towards Petersburg, capturing and burning supplies being forwarded to Lee's army; burning bridges, storming fortifications and rifle pits and tearing up railroad tracks. Then on to Bermuda Hundred, encountering the army of the James, and in June 1864 at the battle of Petersburg, where he was taken prisoner while on picket duty. He was taken to the headquarters of General Wise and then to those of General Beauregard, at both of which he was critically questioned and sent to the Provost Marshal's office, and imprisoned in a miserable slave pen along with captured slaves. From there he was sent to Andersonville, Ga., where he was confined in that most horrible of prison pens, with its dead line, its water supply a little stream whose waters were polluted with the rebel camp above. This place was filled with miserable filthy, ragged and half starved men and vermin. Here they experienced the indescribable tortures and inhuman man treatment meted out by that notorious fiend, Captain Wirz. The scanty supply and miserable quality of food, with none at all for two to four days at a time. Men dying by the scores from starvation and exposure, men infested with vermin, the wounded neglected, their wounds maggoty, sleeping on the bare ground exposed to rain and storm. Exposure, neglected wounds, scurvy, diarrhea and starvation caused the death of hundreds, daily, who were buried in trenches like dogs. From Andersonville, he was removed to Charleston, S. C. and there subjected to equal if not worse brutality under the inhuman brute Barrett. He was next removed to Wilmington, N. C., about the time of the capture of Fort Fisher, but ten miles of Wilmington. The march of these ten miles, through the picket lines of the U. S. Army was attended with every kindness and a plentiful supply of food which continued until their arrival at Camp Parole at Annapolis to again experience the humane treatment of civilization.

The visiting season shows no abatement in the wide spread interest in the Homes, as shown by the many automobiles that daily traverse our boulevards and the pages of names that fill our register. In addition to the many individual and small parties who came during the week, we were honored on Wednesday, June 21, with a visitation of 73 members and families of the Newport, Perry County Automobile Club, many members of which are members of the Fraternity. They arrived about 10 A. M., were courteously received in the Assembly Room by Superintendent, N. Franklin Heckler, who extended to them a hearty welcome and explained to them the great accomplishments and things in process of accomplishment, which go to the making of this greatest of fraternal Homes. After a general tour of inspection, they were served with dinner and departed with pleasurable recollections of this portion of their itinerary.

Friday, June 23, 1916, was marked with a large visitation from High Rock, York County and vicinity and also one from West Chester.

The event of Sunday, June 25, was the visitation of York Lodge, No. 266, for the purpose of conducting the religious services. There were 80 persons in the party and they were accompanied by Brother George Hay Kain, D. D. G. M., for District No. 42, Brother W. Sherman Kerchner, Pastor of the Heidelberg Reformed Church of York, and a member of Evergreen Lodge, No. 176, of Freeport, Ill., and Most Worshipful Brother Wright Pownall.

Fast Grand Master of New York. District Deputy Grand Master, Brother George Hay Kain presided at the services. Brother W. Sherman Kerchner delivered an able and instructive sermon.

At the conclusion of the services, Brother Kain addressed the audience, expressing his own pleasure and that of all who accompanied him in being present to conduct these services and witness the success of these Homes, and gave assurance of the deep interest in them that is felt by the Masons of York County. He called upon Past Grand Master Pownall to express his impressions of the Homes. Brother Pownall in a pleasing and entertaining manner, of his deep interest in Homes, that he had visited a number, but nowhere did he witness that which is presented here with its broad acres, massive buildings and happy community enjoying a real home. He congratulated the Grand Lodge of Pa., the Committee and Superintendent, on the accomplishment of this preeminence.

On Wednesday, June 21, 1916, the Homes was called upon to mourn the loss of one of our earliest Guests, in the death of Brother Cadwallader G. McMullin. Brother McMullin became a Guest on Oct. 24, 1910. Although totally blind, he was of a kind and genial disposition, which secured him the respect and esteem of everyone at the Homes, as was equally true of him among a large circle of friends and acquaintances in his native city.

He was born in Philadelphia on October 17, 1836. Followed the occupation of bricklayer and builder in that city for fifty (50) years, until 16 years ago, when he was stricken with blindness.

He was a member of Apollo Lodge No. 886, Harmony Chapter, No. 52, St. John's Commandery, No. 4, K. T., Philadelphia Consistory, 320, and LuLu Temple, Mystic Shrine.

He is survived by his widow, a brother, Isaac of Mount Holly, N. J., and a sister, Mrs. Susan Newlin of Philadelphia.

His remains were interred in Laurel Hill Cemetery, Philadelphia.

**State Agricultural Notes**

The increasing number of silos being built by farmers is said to have brought about a larger acreage of corn planting in many sections.

The first cutting of alfalfa is now going on in Pennsylvania and farmers are reporting a fine crop. The acreage is increasing steadily each year.

Caterpillars are said to have destroyed a portion of the apple crop in Bucks county.

Farmers have had unusually hard luck with pigs this spring and many were lost at farrowing time.

Farmers throughout the State report that the apple trees were more abundant with blossoms than for many years and indications point to almost an average crop which will be twenty per cent. more than last year.

June reports indicate that the peach yield throughout the State will be about sixty per cent. of an average crop and about seventy per cent. in the peach belt.

Twenty-seven counties report the condition of wheat up to or above the average and present indications are for a decided increased production over last year.

Peach leaf curl is unusually prevalent in many sections of the State and fruit growers claim that the rains have severely interfered with the fertilization of the peach blossoms.

There has been a marked increase in the acreage of tobacco planted in Lancaster county and a corresponding decrease in the oats acreage.

**Trade Extension Campaign at Chandler's**

The first count in the Trade Extension Campaign going on at Chandler's drug store, was completed on Wednesday, June 25. The contestant who is enrolled as No. 15, received the first award, consisting of six silver teaspoons, one butter knife, one sugar shell and a gold locket. This Wednesday, June 28, the award will consist of one gold neck chain and cross and six silver oyster forks. Covering a period of sixteen weeks similar awards will be given away to the one having the greatest number of premium deposit checks. The Bear Cat Racer will be awarded on July 19, to the boy having the greatest value in premium deposit checks. Those collecting premium deposit checks, which are given for everything purchased at Chandler's Drug Store during this remarkable trade extension campaign, are expected to report every Wednesday and have the credits awarded in their pass books. This Wednesday a special service check valued at one hundred times the amount of purchase will be given on all toilet articles, which includes talcum powder, soaps, as well as perfumes, etc.
