 lowing a lingering illness. Mr. Cool was for some time a school teacher in the grammar school of E. Petersburg and resigned that position to accept an important place in the Fulton National Bank at Lancaster.

Mrs. Isaac Kaylor
 Mrs. Isaac Kaylor died at the home of her daughter, Mrs. Earnest Boozer, near Deodote, on Saturday, of a complication of diseases, aged 80 years, 6 months and 6 days. She is survived by five sons, Samuel, Frank, Neri and Allen, of Deodote, Amos, of this place and two daughters, Anna Mary Kaylor, and Mrs. Earnest Boozer, with whom she resided. The funeral services were held at 9 o'clock at the house and at 10 at Shank's church, with interment in the cemetery adjoining.

John McMullen
 John McMullen, an aged and prominent resident of East Marietta, died on Sunday afternoon from infirmities of age after a lingering illness. He was born in York county on June 28, 1834 and was always engaged in farming. He was eighty-two years of age. He was twice married, his first wife being Mary Anna Fisher. To this union there survives four sons as follows: Frank and Wilson, Marietta; Miles and Harry, of Missouri. His second wife, who was Miss Josephine Klempsinger, and one daughter, Anna, at home, also survive. One step-sister, Mrs. Mary Lindsay, of Marietta, also survives, as do eight grandchildren.

Mrs. Frances Brubaker
 Mrs. Frances B. Brubaker, daughter of Mr. and Mrs. Jacob G. Stehman on North Market street, died at the General Hospital on Thursday night at 9:30 o'clock. Deceased was a resident of this place and she was in her forty-first year. She had not been at the hospital very long before her death occurred, the cause of which was peritonitis. Mrs. Brubaker is survived by her parents, and the following brothers and sisters: Paris, of Lancaster Junction; Milton and Mary, at home; Jacob of Garden Mo.; John and Mrs. Harry Landis of Rheems; Clayton of Florin, and Mrs. Christian Martin, of Elizabethtown. The funeral was held on Monday morning at 9:30 o'clock at the house, and at 10 o'clock at the Memorial Church here. Interment was made in the Landis Valley Cemetery.

John F. Druck
 John F. Druck of West Marietta, was found dead Saturday morning at 6 o'clock at his home in that borough, death having resulted from heart trouble. The deceased had been ill during the week with acute indigestion, which brought on the fatal attack. He was 65 years of age and a native of York county, but had resided in the borough for a number of years and was a carpenter by trade. He was a member of the First M. E. Two brothers residing in York county also survive.

State Agricultural Notes
 Encouraging reports have reached the Pennsylvania Department of Agriculture concerning the condition of the oats. While the acreage is not as large as last year the warm days of the latter part of June brought a big improvement in the fields sown to oats.

The plum crop, like peaches, is a partial failure, only about 60 per cent of a normal yield being expected in the State.

Dairy experts declare that there has been an improvement of almost fifty per cent in the condition of the dairy cattle of the State during the past ten years and that farmers are beginning to realize the great advantage of pure bred or grade cattle.

Bulletin boards at the entrance of farms are becoming popular with the ever-growing number of automobiles. They advertise farm products for sale and attract many autoists to a direct and first hand market.

Erie, Indiana and Potter county report the condition of hay as twelve per cent above the average while Bradford, Butler, Jefferson, Mercer, Tioga and Venango counties report the condition ten per cent above the average.

The wet weather has had its effect in reducing the acreage of potatoes over what was expected and the condition of the plants is not up to the average at this time.

The corn is unusually backward and there has been a decided falling off in the acreage planted. Cutworms have given the farmers much trouble in the corn fields.

PLEASANT HILL

Council Proceedings of the July Meeting

(Continued from page 1)
 reported Columbia Avenue macadamized from Poplar street to the Columbia road; Manheim street from the township road to the boro limits, and that all the streets in town were given one coat of oil.

Mr. Ricksecker of the Water Committee, reported the reservoir cleaned and everything at the water works in good condition.

Mr. Sumpman of the Property Committee, reported the broken window in the Council Chamber not replaced to date.

Mr. Hoffer of the Board of Health, reported no sickness and the sanitary condition of the boro very good.

The Chief of the Fire Department reported the equipment in good shape, no fires during the month and an alarm on Saturday but no fire.

The report of the Union National Bank, treasurer, showed balances in these accounts as follows: Borough, \$286.98 and including the amount turned over by Collector Beneman it would amount to \$3,881.28, less the \$800 due the Water account or \$3,081.28. Water account \$3,692.82, plus the \$800 from the Boro account interest account, balance, \$576.00.

A letter from Mr. Shaw was then read. It seems as though the two individual bondsmen as given by Mr. Esleman, who was recently awarded the contract for the erection of the new pumping station building are not satisfactory to Council and the Burgess and the Clerk was ordered to have him give a surety company as a bondsman instead.

It was then suggested by President Dillinger and mutually agreed that Borough Council and Burgess Brown shall constitute the building committee for the erection of the pumping station.

The agreement between the State Highway Department and Council as per ordinances recently passed relative to repairing West Donegal street, was ordered signed and returned to the state.

Mr. Gable reported that he saw the property owners along the north side of West Donegal street from the residence of Henry G. Shelly east and all agreed to grade their sidewalks and fill them in with ashes immediately after harvest.

A large number of bills, among which was one for \$699.07 for oiling the streets, were then paid and Council adjourned.

Friday Afternoon
 After some changes about the field five members of the local club tried their skill with these results. It must be considered that this was the initial shoot for two of the participants. Dr. A. F. Snyder shot with a 20-gauge gun which made breaking them very difficult. Each shot at twenty-five. Geo. Groff 17, P. E. Gets 15, J. Schroll 14, Dr. Snyder 3, F. Farmer 2.

ROD and GUN

BIG SHOOT YESTERDAY
 Reese, Philips, Hoeninger, Stoll, all Crack Shots Participated

Yesterday forenoon things were stirring on the grounds of the Mt. Joy Gun Club, when the largest field of gunners faced the traps since the club has existed. Although the number, thirteen, was unlucky, the breaks were good and some nice scores were made.

The Club had as its guests Messrs. B. Reese, L. Philips, W. Hoeninger of Lancaster and Mr. Clarence Stoll of Chicago. All are very good shots. Philips was high gun with 23 out of 25 and with a straight run of 20 breaks without a miss. Reese, who has a record of 103 out of a possible 110, was runnerup. Stoll, who is a member of one of the best gun clubs in the vicinity of the Windy City, was 95.66. This year so far he has averaged better than 97 for over 2000 targets, and there doesn't appear to be any signs of a let-up. He is shooting better than any amateur or professional in the East at this time.

At the Independent Club Shoot in Philadelphia, over the traps where the Eastern Handicap will be held on July 17th to 21st, inclusive, on Memorial Day, Richardson broke 200 straight, 175 from the 16-yard mark and 25 from the 20-yard mark, and he hit every target in the center. That is his best performance of the season, but on several occasions he had concluded the program with unfinished runs of 50 and 100, and has carried off the honors in nine-tenths of the tournaments he has participated in this season.

Richardson as the best advertising medium the city has.

Richardson is the present trapshooting champion of the State of Delaware, and many regard him as the best trapshooter in America. Just now he is shooting better than any previous time in his young life. "Doll," as Richardson is best known in trapshooting circles, is the son of a former United States Senator from Delaware, but "Doll" himself would rather be the amateur champion trapshooter of the United States than be President.

Two years he has missed the honors by the narrowest of margins, but this year he expects to pulverize every bird in St. Louis and bring the glad news home to Dover. In 1914 Richardson won the Delaware championship with 96 breaks and repeated in 1915 with 100 breaks. His average in 1913 was 93.57; in 1914, 93.80 and in 1915, 95.66.

After the above shoot there was a live bird shoot which was very interesting, in fact, more so than the clay bird race. Schroll lead the gunners with Stoll a good second. The score: J. E. Schroll1-0-2-1-2-2-2-1-7
 Clarence Stoll2-2-2-1-0-1-1-0-6
 H. Hornafus1-0-0-1-0-0-1-1-5
 J. M. Backenstoe0-0-2-0-0-0-2-2-3
 B. Reese0-2-2-1-3
 G. Moore2-2-1-3

A fairly good crowd witnessed both these events.

In the big shoot at Enola on Thursday, Marietta gunners participated. C. Humer broke 131, W. H. Paxton 128, W. Sultzbach 124 while W. E. Kaylor of East Petersburg broke 111. All shot at 150. J. G. Martin of Harrisburg, was high gun with 145, making a run of 77 straight. Chas. Newcomb of Philadelphia, also shot, getting 140.

There was a big clay bird shoot at Ironville yesterday afternoon when many of the crack shots participated. Andrews of Strasburg was high gun his best score being 23 out of 25. Reese and Philips, who shot here in the morning also shot. Emanuel Myers of Newtown broke 67 out of 100, Daniel Moore 51 out of 100 and Earl Mumma 61 out of 100.

THE MONTHLY SHOOT
 George Groff Made Best Score of the Gunners Saturday

The first monthly shoot of the members of the Mount Joy Gun Club was held on Saturday and considering the short time the club has been in existence there was considerable interest shown.

George Groff, the youngest member of the club, although behind in the first two breaks of twenty-five targets, finished strong in the last set and was high gun for the first month.

Six of the club members participated and a number of others would have shot but their business would not excuse them on a Saturday. It is quite likely that the shoots will be held on another day hereafter.

The scores made follow:

	Shot at	Broke
Geo. Groff	75	49
J. E. Schroll	75	45
H. Hornafus	75	43
Dan'l Brubaker	75	34
C. N. Mumma	50	33
Geo. Moore	50	28

On Friday afternoon a few of the members entered J. H. Roland of Philadelphia, who is a member of a big gun club in the City of Brotherly Love. Mr. H. S. Newcomer paid his initial visit to the traps and showed that he too has an eye for breaking them. The scores were:

	Shot at	Broke
J. H. Roland	50	30
J. E. Schroll	50	27
P. E. Getz	50	24
H. S. Newcomer	25	10
