TWO DAYS CONVENTION
To be Held in Lancaster by the County Sunday School Association

At the home of H. C. Greider at Landisville a meeting of the officers and superintendents of Lancaster County Sunday School Association was held Tuesday evening.

The program is about completed for the county convention to be held in St. Paul's Reformed church, Lancaster, Wednesday and Thursday, October 25 and 26.

The opening session will be Wednesday afternoon, followed by conferences of the several departments, the superintendents of which are arranging to have the best talent procurable. At the luncheon at 5.30 addresses will also be given, and at the evening session there will be a missionary pageant and an address by Mrs. Karnell, of Philadelphia.

It has been twenty-five years since the Lancaster County Sunday School Association was organized and a recognition of this fact will be taken and a Stake laid. The place at the Thursday forenoon session. Past officers will be present and take part in the program, among them being Rev. Max Hark, of Bethlehem, the association's first president. Charles L. Frey, of Philadelphia and Mrs. Karnell will also speak at this session.

Thursday afternoon the principal speakers will be Preston Orwig, of Philadelphia and Rev. W. D. Marburger, of Denver.

Thursday evening Harry E. Paisley, treasurer of the Reading Railroad Company and an active worker along Sunday School lines, will be the principal speaker.

Teacher training graduates will form an alumni association at a banquet to be held at this convention at the Hotel of Manheim, being the first department.

Reports were received from various departments showing the growth of this county during last year.

Mr. Greider, secretary of the State association, saying there was no disposition on the part of the State Health Department to prevent students in the Sunday schools who are sixteen years of age and over from assembling, and desiring this information be sent out over this county to the various Sunday schools, many of which still remain closed.

President Greider appointed a committee to make all arrangements and secure a special train to be run from some point in this county to York to carry the hundreds of people who will attend the convention held by the State Sunday School Association October 11, 12 and 13.

SODA FOUNTAINS AND SOFT DRINKS
Little Talks on Health and Hygiene by Samuel G. Dixon, M. D.

The soda fountain has become a National institution. The fact that it is universally used is not however, to be taken as a recommendation. Naturally during the warm months there is an unusual hankering for cool liquids. What the system really craves in hot weather is water. Cool water not ice cold. This is a natural demand and one that should be supplied.

We have acquired a taste for sweetened concoctions which masquerade under the names of all the fruits that were found in the Garden of Eden and others never heard of except on soda fountain advertisements. The bulk of these are chemical products in which no actual fruit is used. They are seldom nourishing.

In very hot weather a glass or so of these sweetened liquids will often interfere materially with the digestion and their tendency is to lessen the normal appetite for nourishing food.

Palatable summer drinks can be made with the pure fruit juices to which cool water is added. Sherbets made in this manner are far more palatable and refreshing than the sickly sweets which are the common offering of the soft drink emporiums. Ice cold drinks irritate the stomach and produce catarrh sooner or later.

There is another factor connected with the serving of drinks, soft and otherwise, which is open to the severest criticism. In many places the provision for the cleansing of the glasses is inadequate. Too often a hasty sousing in a tank of water is the only washing which they receive. It is a well known fact that washing utensils in cold water is not sufficient to properly cleanse and destroy germ life.

The evils of the public drinking cup have been thoroughly exploited and all too often the soda glass comes within this category.

LANDISVILLE
Mr. and Mrs. F. B. Stauffer and family spent Sunday with Mr. and Mrs. Clay Saunders of Donegal.

Mr. and Mrs. Frank Shank and family of Rheems, spent Sunday with Mr. and Mrs. Phares Bowman.

Quite a number of our people attended the Convention held in the M. E. Church at Salunga on Saturday.

Miss Marie Habecker attended a house party at Lititz, Wednesday evening given by the Misses Elizabeth and Ellen Landis.

Mr. and Mrs. Jacob G. Habecker and daughter Martha accompanied by Mr. and Mrs. Reuben Shearer autoed to Lawn, where they visited Mr. and Mrs. Ira Risser.

Miss Emma Swarr entertained a few of her friends at her home Saturday evening, those present were the Misses Ada Rupp, Esther Heise, Ruth Hoffman, Miriam Hershey, Jennie Musselman, Anna Trayer, Winona Hess and Messrs. Lewis Mease, Paul Miller, Joseph Ross of Willow Street; Samuel Brubaker and Harry Hoffman of Mount Joy.

Revenue Men at Wild Cat
Saturday afternoon forty-five men of the Ninth Internal Revenue District representing many towns and cities in the state held an outing at the Wild Cat Falls Inn. B. F. Davis, Esq., of this city, called the meeting to order and presided over the business session. Chicken and waffles were served, and at the festive board Mr. Gery of York, acted as toastmaster.

Many responded to toasts including Postmaster Orth of Marietta. It was a very enjoyable affair in every particular. Automobiles were run from Marietta to the Wild Cat Grove and here the men were ferried across the Susquehanna river by Proprietor Resch. They returned home at a late hour all well pleased with the outing.

RHEUMS
Mr. and Mrs. John M. Weaver and daughter Gladys and son Henry spent last Sunday at Maytown. Mr. and Mrs. Elias E. Risser and daughter Myra were guests of Mr. and Mrs. Gabriel Risser Sunday. Mr. and Mrs. A. S. Bard and family were Sunday guests of Mr. and Mrs. Elias E. Risser of near Lawn. Mr. and Mrs. Paul C. Sload spent last Sunday looking up the sights and amusements at Williams Grove park. Mr. and Mrs. E. W. Books of Hillsdale, spent last Sunday with their nephew, David K. Espenshade and family. Mr. Eli Espenshade of near Middletown, was the guest of his brother David K. Espenshade and family last Sunday. The Heisey Bros. have started to take out their 20 acres of potatoes. They report the quality as good as last year but not in quantity. Mr. Sol Hoffman residing on the Leander Groff farm contracted his three acres of hail cut tobacco to a Lancaster party for 8 cents through Mrs. Jacob W. Heisey has returned from Hyer, Pa., where she spent the summer with her son Christian and wife assisting to keep a summer resort. The wheat still comes rolling in at the D. G. Brinsler warehouse. The prevailing price for a short white was \$1.40 per bushel for good quality. A farmer accustomed to modern times must feel embarrassed when he has two telephones and one large automobile and they are all out of service. Misses Elsie Landis and Cecil Smith have arranged to hold a corn roast Tuesday evening, September 12th, at the same place where the box social was held. The storm that passed over this place last Friday the 8th, was quite destructive, lightning and thunder vivid. A number of cross arms were torn to splinters close to Kw tower. Last Sunday was another successful day for the colored folks at their camping in the Heisey park. Crowds came from all parts of Lancaster and Lebanon counties swelling the number to several thousand persons. Mr. John G. Reist, the champion fruit and alfalfa grower took advantage of the pleasant sunshine weather throughout this month to harvest his many acres of alfalfa, giving him a grand opportunity to gather many tons of first-class hay for which he has quite a demand. The following committee of young men held a successful Box Social in the large stone quarry of the Penn Lime, Stone and Cement Co. last Wednesday evening, September 6th. Henry B. Heisey, J. K. Bard, Paul W. Heisey, Web Eshleman, John Dissinger, Robert Becker, Mack Falkenstein and B. Ream. The weather and moon were ideal for the occasion. The attendance was large. The arrangements were carried out to the letter. Refreshments were delicious. Huge piles of timber were burned to furnish light upon the scene making it quite pleasant to indulge in the various games.

WHICH—BARBARA OR THE INDIAN
Or Gottes Willa Sie Gethan BY REV. C. D. RISHEL

A thrilling narrative of several of the Indian raids made in the upper regions of the Juniata valley during the perilous period of 1776—1782, into which is charmingly woven an interesting, edifying and fascinating romance of Benjamin Brown and Barbara Elder.

Brown's crucial test reach the climax when a savage Indian was in the act of scalping his beloved Barbara.

What was Brown to do when it was doing violence to his conscience to shed blood? Which shall be sacrificed Barbara or the Indian? This is a neat little book of about 55 pages, paper cover. Price only 25c. Sent postpaid on receipt of price. Liberal inducement to agents. Order now of REV. C. D. RISHEL MOUNT JOY, PA. aug. 23-24

WEEKLY ARTICLES WRITTEN EXPRESSLY FOR THE MOUNT JOY BULLETIN BY DR. DAVID H. REEDER OF CHICAGO, ILL.

Precautions against Infantile Paralysis: The plague of Infantile Paralysis that is spreading terror to the hearts of the people is all the more terrible because it is so little understood. The unknown is always much more terrible than the known. Dr. Tilden states emphatically that the condition known as auto-intoxication is much more frequently caused by fear than by bad food. Fear and worry have killed more people than has starvation. Obviously, the first precaution is to quit worrying about the matter, dismiss fear and do something sensible. One of the conditions upon which the doctors that have most frequently come in contact with the disease are agreed upon is that if the nose, mouth and throat are in good health and kept sterile there is but little if any danger of contracting the disease. Another thing that we all know is that the disease is no respecter of persons but is liable to enter the homes of the rich as well as of the poor. In fact, it is said that some of the poorest districts in New York have developed few if any cases. Others claim that if the comparison is made according to population it will be found that the disease is more prevalent in the country than in the city. This leads me to believe that previous ideas indicating the stable fly as one of the carriers or sources of infection was correct. The fly cannot be blamed in all cases, however, because if it was the only cause the measures for defense that seem to be effective would be useless. It is not necessary, however, to be bitten by a fly in order to become infected through it. The insect spreads filth wherever it flies or alights so remember the slogan "Swat the fly," but much more important don't let the fly find a breeding place near your home nor in your neighborhood. As a direct means of protection every home in which there are children or grownups under 30 years of age, there should be a careful and thorough examination of the teeth, nose and throat. If not found in perfect health the services of a specialist should be secured and the condition thoroughly treated. In all cases, whether in good or bad condition the teeth should be thoroughly cleaned and brushed night and morning, both children and adults. The nose and throat should also be sprayed morning, noon and night with a reliable antiseptic solution. Any reliable physician will tell you what to use. An honest druggist can supply you. Liqueur Antiseptic is excellent. This is made by druggists from a formula given in the official dispensary. See that the bowels are active, keep as cool as possible, bathe or swim frequently, eat good wholesome food but not too much of it.
