Advertising a Sale!

YOU don't leave your rig in the middle of the road and go to a fence-post to read a sale bill do you? Then don't expect the other fellow to do it.

Put an ad in this paper, then, regardless of the weather, the fellow you want to reach reads your announcements while seated at his bedside.

If he is a prospective buyer you'll have him at your side. One extra buyer often pays the entire expense of the ad, and it's a poor ad that won't pull that buyer.

An ad in this paper reaches the people you are after.

Bills may be a necessity, but the ad is the thing that does the business.

Don't think of having a special sale without using advertising space in this paper.

One Extra Buyer at a sale often pays the entire expense of the ad. Get That Buyer

SUNNY JIM GOT 9 MONTHS TERM

(Continued from page 1) Crystal Restaurant the two went to the evangelist's room in the Brunswick Hotel. It was here and at this time that the alleged assault occurred and when Hershock made an outcry his father and other officers entered the room as pre-arranged and Love was apprehended in the act. Love had told the young man that he was, a traveling salesman representing a Pittsburgh haberdashery house. At this juncture and before the witness had been cross-examined Lowe's attorneys and the defendant withdrew from the court room for a conference. Upon their return Lowe withdrew his plea of not guilty and entered a plea of guilty to the first count in the indictment, charging solicitation to commit sodomy. He was called before the Court and sentenced to pay a fine of \$100 and undergo an imprisonment of nine months solitary confinement with hard labor in the Lancaster county prison. When sentence was imposed he was entirely unmoved. He was taken from the Court room by Deputy Sheriff William Stong, of Mountville, who is serving this week. The court room was well filled with adherents of Lowe, who believed in him until their faith was shattered when the prisoner entered a plea of guilty to the charge against him. Dussinger-Fuhrman Lee Dussinger of Lancaster and Miss Martha Fuhrman of Marietta, were granted a marriage license on Saturday, at Elkton, Md., along with a large number of other couples from this State. The sooner Congress passes a law to render such another strike held up or sandbagging impossible, the better. It pays to advertise in the Bulletin.

A LIVE BIRD SHOOT

Competition Was Closer Than at Any Previous Event

Over one hundred good, big and strong live birds direct from the farm were liberated here last Thursday afternoon on the grounds of the Mount Joy Gun Club. While many of them were "grassed," some of them are still flying. The big event of the afternoon was a ten bird race with six runners up and their shooting was very good. Schroll was high gun, winning first money by killing straight, while Brubaker was runner-up. He killed nine straight and even dropped his tenth bird but it fell out of bounds by only a few feet. Backenstoe was third with 8 and Good followed with seven, while Getz, who has not shot at live ones since last winter, brought down six of his pigeons. Dr. Snyder faced the live bird traps for the first time and dropped six of his birds nicely in the two events. The second event was a short one, in which Brubaker went straight with six, while Schroll, Good and Getz were tied at five each. In the shoot off Getz lost his bird while Schroll and Good killed theirs and divided second money. The scores follow:

10 Bird Race

J. E. Schroll	2-2-2-1-1-1-1-1-2-10

NEAF APGAR

FIRST AND ONLY PRESIDENT OF THE WESTY HOGANS OF AMERICA

The Westy Hogans is an organization of trade representatives of the East and Middle West who conduct a trapshooting tournament for amateurs at Atlantic City, N. J., each fall. This year's tournament, the tenth, will take place at Venice Park, on September 12, 13, 14, 15, 16. The Hogans command the same respect in trapshooting circles in the East that the Indians do in the West. It is the trapshooting classic of the East and ranks second only to the Grand American Trapshooting tournament in the number of entries. More than 300 will shoot this time.

Nine hundred and seven persons, including 33 women, were given instruction at the Trapshooting School on the Million Dollar Pier, Atlantic City, N. J., during the first four weeks of August, it being one of the best months of the season. Two-thirds of those firing at the targets over the Atlantic Ocean were novices, and quite a number showed remarkable improvement in a few attempts. A prize was offered during the month for the novice making the greatest headway. This was won by C. A. Burk, of Chicago, who in five trails after first handling a trapgun broke 20 out of 25 targets.

State Agricultural Notes Farmers throughout the State are complaining of the damage done the corn crop by the extreme heat and dry weather during August and a greatly reduced crop is expected.

A Woman's Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

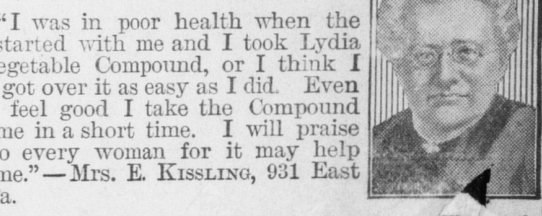

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 759 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it, and they also have received good results from it."—Mrs. GEORGE A. DUNBAR, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. KISLINO, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E.
