

# Virginia tobacco pays no duty— all the value is in the cigarette

That's exactly where the value belongs—in the cigarette. You can't smoke duty, you know.

Piedmonts are made of the highest grade of Virginia tobacco—ALL Virginia tobacco! Golden in color and as mellow as Dixie's sun.

You know what tobacco experts say—they say that Virginia is the best cigarette tobacco in the world.

"A package of Piedmonts, please."

An ALL Virginia Cigarette—

The Cigarette of Quality

NOTE:—A package of ten cigarettes made of all Turkish tobacco costs the smoker 10c or 15c. A package of ten Piedmonts made of highest-grade Virginia tobacco costs the smoker only 5c. Why the difference? Because Piedmonts pay no duty, no ocean freight, no marine insurance, no expensive unloading charges.

Always in Demand  
A. H. Hoffman, Inc., of the Hoffman Homestead Farm, at Landisville, finds a never-ceasing demand for his seed wheat, timothy and fall seeds and the reason is easily discernible—because the man who uses them always gets results and naturally goes back to the man who pleased him. This is the eighteenth season for Hoffman's Seed Wheat and promises to be the most successful ever. Business is done on the "money-back" plan, and much of it reaches its destination by means of the parcel post. Every seed sold has been tested and produces a good yield because of its vigor and vitality.
