A young apple orchard has been planted on the acre of ground in which the quarry is located and there is plenty of other fruit of all kinds on the premises.

**Automobile Accident**

A serious automobile accident occurred on the Maytown pike on Tuesday afternoon near Fairview school House. H. K. Landis' truck of Rheems, with a load of stone from the quarries was going along on what is known as David Garber's road, just as the driver entered the pike a touring car occupied by J. F. Smith and H. P. Sommers of Lancaster, was coming down the grade at Fairview school house at a lively gait collided with the Landis truck and was badly damaged. Smith received several bad bruises, the others escaped unhurt. The view of these two roads is cut off by a high hedge fence, which accounts for the accident.
