Yes We Sell the Letz Grinder

Because it Stays Sold

A sale is a sale, with the Letz. Farmers don't haul the Letz back after trial, although no machine in the house is more completely guaranteed than the Letz.

10 Reasons Why You Should Buy a LETZ FEED MILL

- Fine Grinding
- Wet Grain Grinding
- Light Running
- Silent Running
- Quick Changeable Plates
- Self-Sharpening Plates
- Self-Aligning Plates
- Long Life
- Large Capacity
- Efficient End Thrust Bearing

Letz plates shear the grain instead of crushing it, therefore require less power. One farmer tells us he has ground 90 bushels of corn in one hour in his Letz.

We sell the Letz because it does the business.
