Rev. Amos P. Geib, who spent several days of last week in New York City on business is at home again with his parents, Mr. and Mrs. P. C. Geib.

Miss Naomi Bowers, teacher of the Sunnyside school and Miss Alice Osmond teacher of the Chiques Hill school spent Saturday and Sunday in Lancaster with the former's parents.

Somebody took about 70 lbs of tobacco out of John W. Geib's barn last week one night. Mr. Geib does not care so much about the tobacco and the lath being stolen, but he would appreciate it very much if the party would return the tobacco stems after he has it stripped. Mr. Webster Gible, of near Mastersonville, had his left arm broken several days ago. It is very unfortunate for Mr. Gible, as he had several important engagements with a certain young lady, but under the existing conditions he does not feel able to meet these obligations. He is looking for a substitute. Who will volunteer?

He can use only those who have a rig or auto. Work is very pleasant and no previous selling experience is necessary. Work consists of leaving a wonderful new household necessity in the homes on free trial. Tests at more than thirty of the leading Universities and the Government Bureau of Standards show this new article to be four times as efficient as article now in general use in this section. Article is needed in every rural home and benefits every member of the household, bringing cheer, comfort and happiness into the home. Not necessary to be away from home nights. Pay from \$6.00 to \$15.00 per day according to ability and number of homes visited. In writing Mr. Sheppy, mention what townships will be most convenient for you to work in; what your regular occupation is; your age; married or single; how long you have lived in the community; what kind of a rig or auto you have; whether you wish to work spare time or steady; how much time you will have to devote to the work; when you can start, and about how many homes are within six miles of you in each direction. This is a splendid opportunity for several men in Lancaster County and counties adjoining to make good money, working steady or spare time. Some of the field men earn \$300.00 per month; one farmer earned \$1000.00 working spare time only. No investment or bond necessary.
