

Don't Risk Too Long Delay Getting a Spring Suit

We have never been alarmists, preferring rather to see things squarely in the face before venturing comment.

But we do know this and an eight-year-old boy knows as much, that the war in which America has plunged is not going to make clothing any more plentiful and heaven only knows it's scarce enough as it is.

With hundreds of thousands of uniforms to be supplied for our own army, and the European demand still continuing, the ONLY INFERENCE from the situation is that there is going to be a greater shortage of wool clothing than ever before.

OUR SPRING STOCKS are good, but with a continuance of the heavy demand of the past month they can't last in that condition the whole season through.

COME NOW, and then YOU'RE SAFE anyhow. We show a very broad line of choicest models at \$15 and \$18 and the famous Hart Schaffner & Marx and Fashion Park Suits at \$20 upwards.

PROF. STUART FINDS RELIEF FROM CATARRH

WELL-KNOWN INSTRUCTOR OF MATHEMATICS IN ERIE HIGH SCHOOL PRAISES TANLAC

Prof. R. R. Stuart, teacher of mathematics in the Erie High School, who resides at 151 E. Sixth Avenue, Erie, Pa., made the following conservative, but interesting statement regarding the benefits he received from Tanlac, the celebrated new combant, tonic appetizer and invigorant that is now being so widely discussed and distributed in this city and vicinity.

"I have suffered intensely from both bronchial and nasal catarrh. I also had a severe case of indigestion which caused me equally as much annoyance and inconvenience. My symptoms were pains in my abdomen, a distressed feeling after eating, susceptibility to cold, inflamed bronchial tubes and nasal passages, discharge of catarrhal mucus, and an offensive breath.

"On November 29, my attention was attracted to the Tanlac advertisement in the Erie newspapers. I concluded to test the new medicine. Within three days' time, after beginning the use of Tanlac, I noticed a marked improvement in my condition. The inflammation has disappeared from my bronchial tubes and nasal passages, my digestion is almost perfect, and I am generally better.

"I recently fell and broke my arm. I lost much strength as a result of this accident. Tanlac has been a great aid in recovering that lost strength."

Tanlac is now sold in the Drug Store, exclusively by Dr. W. D. Chandler, where the premier preparation can be had.
