

**As Solid As a U. S.
War Bond-Suits
Labeled H. S. & M.**

Why do ninety-five per cent. of the men who smoke favor a certain brand of cigar and for months at a time and often years, give it their consistent patronage? First of all, one might answer: Because it is to his taste, which is true. But go a little deeper and you will find that there's another reason—IT'S REGULARLY GOOD. IT'S ALWAYS GOOD, ITS DEPENDABLE AT ANY HOUR OF THE DAY OR NIGHT.

Well, this is no tobaccoist's ad—but there is a strong analogy between this idea and the clothes idea.

HART SCHAFFNER & MARX Suits are the kind that are "regularly good, always good, dependable at any time."

Wear one this spring, and the chances are that if a year or two from now, you were out in San Francisco and needed a new Suit your thoughts would instinctively turn to the label H. S. & M., and you would get just that Suit, and no other. Because you could play safe; you would know what you were getting; you would know it to be as solid as a U. S. war bond.

PLAY SAFE THIS SPRING, then you can do it at this house, the exclusive Lancaster handlers of H. S. & M. Suits.

HOME HEALTH CLUB

By Dr. David H. Reeder, Chicago, Ill.

Food Suggestions: This is the last of the articles on selection of foods as given in Department Bulletin No. 808 and well sums up the lessons.

"It is believed that it is impossible to plan the meals for a family wisely without at least as much knowledge of how different kinds of food serve the body as this bulletin has given and that the safest, short cut to good planning lies in considering foods in the five groups here described. Ways of making economical use of the materials in each group can not be discussed in this bulletin, but a few general suggestions for getting the most for one's money in the matter of food may be made here.

Use cereals (flour, meal, cereal breakfast foods, etc.) freely. They are good for the stomach and help to keep people from tiring of them. Remember that a quart of whole milk a day for each child, to be used as a beverage and in cooking, is not too much. Remember that while skim milk should never be substituted for whole milk as the principal food in a child's diet, it is as valuable as whole milk as a source of protein and mineral matters in the general diet.

Remember that, except in the case of milk for children, quantities of needed foods especially useful for body-building purposes that is, meats and meat substitutes, fruits and vegetables is not large, but what is needed, is much better than what is available. Do not be ashamed to plan closely. Thrift in food means providing enough food, neither too little nor too much. Notice carefully how much of such staples as flour, sugar, milk, cooking fat, etc. is used each week for a month and see if there are any ways of cutting down the quantity consumed. Buy nutritious materials in quantities if better prices can be secured and there is a good storage place in the home. Neighbors can sometimes club together to get lower rates. Try to make the dishes served of such size that there will be enough to satisfy the appetite of the family and no unnecessary table and plate waste. Do not be above noticing whether anything is thrown away with the garbage, which always shows how thrifty food is used in a household. Many inexpensive materials can be made attractive and the diet can be pleasantly varied by a wise use of different flavoring.

"Finicky" tastes in food often prevent the use of many valuable materials which might be the means of saving money. Good food habits are an important part of personal hygiene and thrift. Children get such habits by having suitable amounts of suitable foods served to them and then being expected to eat what is set before them. True economy lies not only in buying wisely but also in making the fullest possible use of what is bought.

BACKACHE IS A WARNING

Mount Joy People Should Not Neglect Their Kidneys

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause, the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read this Mount Joy testimony.

C. J. Gillums, E. Main St., says: "My back became so painful that I couldn't rest well at night and was all tired out when I got up in the morning. Doan's Kidney Pills entirely took away this disorder after other medicines had failed. I haven't had to use any kidney remedy now in over eight years."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gillums had. Foster-Milburn Co., Props., Buffalo, N. Y.
