NEW SPY CASE FROM MEXICO

U. S. Letters Showing Germany "Used" Swede Envoy

RECOMMENDED DECORATION

Lansing Gives Out Tell Tale Letter From Von Eckhardt To Chancellor, Asking Reward For His Friend.

Washington.—Another chapter in the story of German intrigues in neutral countries and among neutral diplomats was revealed by Secretary Lansing, in the form of a letter to the Imperial Chancellor from the notorious Von Eckhardt, the German Minister at Mexico City, to whom the intercepted Zimmermann note was addressed.

Depended On Swede.
It discloses that Folke Cronholm, then Swedish Charge in Mexico, was depended upon by the German diplomat to furnish information from the "hostile camp," and to transmit communications to Berlin, and that Von Eckhardt wanted him rewarded by a secret award from the Kaiser of the "Order of the Crown of the Second Class." This letter was written on March 8, 1915, and apparently has been in the possession of the American Government for a long time. It was made public without comment, shedding light upon the methods of another Swedish diplomatic representative in this hemisphere at a time when the United States and her allies are awaiting with interest Sweden's explanation to Argentina of the conduct of her Minister at Buenos Aires, who transmitted the German "snik without leaving a trace" dispatches.

Cronholm Dismissed.
Baron Akerhielm, Swedish Charge here, said tonight in response to a query that Cronholm was dismissed from the diplomatic service last January. He would not discuss the cause, but there was no intimation that it was in any way connected with Cronholm's relations with the Germans. Baron Akerhielm called at the State Department during the day to inform Secretary Lansing that he had received from his Government the statement already given to the public at Stockholm, explaining that Sweden had forwarded dispatches from the German Minister at Buenos Aires to Berlin in German code without knowledge of their contents. He did not leave a copy of the statement. It is assumed that the Stockholm Foreign Office will not address any communication to the American Government on the subject.

PERSHING TO HIS SOLDIERS.
Message Will Be Placed in Testaments Distributed To the Army.

New York.—Major General Pershing has sent a message to American soldiers, through the New York Bible Society. The message, which will be inserted in the small khaki-covered testaments given to the men, follows: "Accused against a nation waging war in violation of all Christian principles, our people are fighting in the cause of liberty. "Hardship will be your lot, but trust in God will give you comfort. Temptation will befall you, but the teachings of our Saviour will give you strength. Let your valor as a soldier and your conduct as a man be an inspiration to your comrades and an honor to your country."

FOOD DIRECTORS NAMED.
Earl W. Ogilby Will Have Charge in West Virginia.

Washington.—The Food Administration named the following state food administrators: Florida—Braxton Beacham, Orlando. Minnesota—A. D. Wilson, Minneapolis. Mississippi—P. M. Harding, Vicksburg. New Jersey—James E. Fielder, Jersey City. Ohio—Fred Croxton, Columbus. West Virginia—Earl W. Ogilby, Wheeling.

IN A STATE OF SIEGE.
Strike In Portugal Reported To Have Closed Up All Lisbon.

Madrid.—Portugal has been declared in a state of siege, according to a telegram received here from Lisbon, on account of a general strike. All establishments in the Portuguese capital have been closed. Several persons, including a number of soldiers, have been wounded by the explosion of bombs.

ROOSEVELT'S FIRST FLIGHT.
Goes Up in Airplane Equipped With Liberty Motor.

Minneapolis, L. L.—Col. Theodore Roosevelt made his first flight in an airplane here. The former President went up in a military airplane from the aviation training grounds here. The machine was fitted with one of the new government Liberty motors.

TO KEEP STATE TROOPS INTACT.
War Department Issues Assurance To Guard Units.

Washington.—Renewed assurances that National Guard units will be broken up as little as possible in the army reorganization was given by the War Department. It was explained, however, that in many cases it will be necessary to change the status or unity of organizations, and that the decision rests with the department commanders.

Two Merchantmen and One Submarine Sunk

U.S. STEAMERS SENDS REPORT

First Announcement By Navy Department, Saying All Six Undersea Raiders Were Lost, Was Due To Error.

Washington.—A typographical error in transcribing a statement for the press from an official report to the Navy Department made it appear that six German submarines probably had been sunk off the French coast when they attacked a fleet of merchantmen, including at least one American vessel. The facts are, so far as known, that one submarine probably was destroyed and two of the steamers went down. A corrected statement was issued by Secretary Daniels as soon as the error was discovered.

The Department has only a meagre account of the fight and additional details have been asked for by cable. The report came from the American tanker Westwego through Paris, the vessel apparently having reached a French port after the fight. The names and nationality of the two ships lost were not given.

The Westwego is en route to Europe and from the fact that she was cruising in company with other merchant craft navy officers assumed that the fleet was under convoy of naval vessels, probably of American destroyers. The tanker reported September 8, the fight having occurred September 5. The brief statement received from Paris said that six submarines had made a massed attack on the merchant flotilla; that two of the steamers were sunk and that one of the submarines probably was lost.

The Westwego is an armed vessel, but there was nothing in the message to indicate whether the other ships also were armed.

In preparing for the press in the bureau of operations of the Navy Department a statement of the contents of the dispatch it was written that "all" of the six submarines probably had been lost. Later, on checking over the message and the statement, issued to the press, it was found that the word was "one" in the dispatch. The mistake was not discovered until several hours after the country had been electrified by the report of the wholesale sinking of German U-boats.

This statement then was issued by Secretary Daniels: "My attention has just been called to a serious error made in transcribing the report of the attack made on the Westwego and other vessels. I gave the report to the press exactly as it was presented to me, stating that 'two' of the steamers were lost. The cablegram, I now find, stated that 'one' of the submarines probably was lost."

Attacked Once Before.
The Westwego, an oil tank steamer, was built in Germany in 1914 for Reumann account under the name of the Steana Romana. Later her registry was changed to American and afterward her name was made Westwego. The vessel was of 3,050 tons net and she carried a crew of 45 men. Latest reports show she was in an American port August 8 and later sailed on a trans-Atlantic voyage commanded by Captain Mulcoy.

WAR TAX BILL PASSED BY SENATE

Postal Increases on Second-Class Matter Defeated

CONSUMPTION TAXES KILLED

Borah, Gronna, La Follette and Norris Vote Against the Measure, While Johnson, Hollis, Reed and Kenyon Vote For It.

Washington.—The Two-and-one-half-billion-dollar War Revenue Bill was passed by the Senate by a vote of 69 to 4. Borah, of Idaho; Gronna, of North Dakota; La Follette, of Wisconsin, and Norris, of Nebraska, voted against the measure.

Others who had fought hard for extreme taxation of wealth, such as Johnson, of California; Hollis, of New Hampshire; Reed, of Missouri; and Kenyon, of Iowa, all voted aye.

In the last hours of the passage of the bill the consumption taxes upon coffee, tea, sugar and cocoa were cut out of the bill. So were the postal increases on second class matter, which would have affected chiefly newspapers and magazines.

Senator Hardwick's proposal to tax the incomes above \$50,000 a flat 10 per cent, and use the revenue to pay American soldiers in France a \$50 monthly bonus was overwhelmingly rejected by a viva voce vote.

An attempt to substitute an entire new bill was made by Senator La Follette. This would have raised about \$3,500,000,000 on income taxes, war profits and tobacco and liquors. The Senate refused to accept it.

The Senate declared itself unwilling to uphold the Finance Committee in repealing the "draw back" upon sugar bought here, refined and then exported. The "drawback" still stands as a law. Last year it would have paid \$13,000,000 to the government in taxes which, without the drawback, the sugar refiners would have to pay as a tax.

At the last moment Senator Brandegee, of Connecticut, succeeded in having operation of the bill confined to the duration of the war.

The bill now goes to conference between the House and Senate, where the differences will be thrashed out. It is hoped that within a fortnight all matters of dispute will have been adjusted and the President will be able to affix his signature and convert the proposed tax measure into law. Senators Simmons, Stone, Williams, Penrose and Lodge were appointed to represent the Senate in the conference.

U-BOATS' TOLL DECREASES.

Twelve Large and Six Small Vessels Victims Last Week.

London.—A marked decrease in the destruction of British merchant vessels by mines or submarines is indicated in the weekly Admiralty statement.

Twelve vessels of more than 1,600 tons and six of less than 1,600 tons were sent to the bottom, as compared with twenty in the large and three in the small category since the previous week. Tonight's statement shows that four fishing vessels also were lost.

The summary: Arrivals, 2,744; sailings, 2,868. British merchant vessels sunk by mine or submarine of over 1,600 tons, including one previously, 12; under 1,600 tons, including one previously, six. British merchant vessels attacked unsuccessfully, including three previously, 12. British fishing vessels sunk, four.

U-BOAT SUNK DESPITE RUSE.

Hid Behind Schooner Till Within Range Of Tanker.

An Atlantic Port.—How a German submarine hid behind his schooner until it got within range to attack an American tank steamer and then was sunk by the tanker's gun crew, was told by the captain of a sailing vessel here. When about 1,500 miles from Gibraltar, he said, the U-boat ordered him to stop. The submarine then kept behind the schooner until the approaching tank ship was within range. When it began the attack the ruse returned the fire, the eighth shot striking the German boat and sinking it within sight of the schooner's crew. Both steamer and schooner escaped injury.

SIX MORE PICKETS ARRESTED.

Sailor Tears Down Banner Before Police Arrive.

Washington.—Six banner bearers of the woman's party were arrested in front of the White House. Before the arrival of the police a sailor tore down a banner carried by one of the women.

RAID PROF. NEARING'S HOME.

Federal Agents Seek Literature Opposing Army Conscription.

Toledo, O.—Federal authorities raided the home of Prof. Scott Nearing in search of literature which they said may have been used in a campaign of opposition to the Army Conscription Law. Professor Nearing is a lecturer on socialist questions.

ARMY ENGINEERS WOUNDED.

Two Members Of Railway Regiment Hit By Shell Fragments.

Washington.—The War Department announced that Sergeant M. G. Calderwood and Private W. F. Brannigan, both of Company F, Eleventh Railway Engineers, had been slightly wounded by shell fragments while on duty in France. This is the Army's first casualty announcement of the war, except that concerning the members of the Medical Corps killed when German aviators bombed a hospital.
