COLDS AFFECT THE KIDNEYS

Many Mount Joy People Have Found This to be True Are you wretched in bad weather? Does every cold settle on your kidneys? Does your back ache and become weak? Are urinary passages irregular and distressing? These symptoms are cause to suspect kidney weakness. Weakened kidneys need quick help. Doan's Kidney Pills are especially prepared for weakened kidneys. Mount Joy people recommend them. Jacob W. Grogg, W. Main St., Mt. Joy, Pa. says: "Every winter when I took a little cold, it settled on my kidneys and made me miserable. My back was so stiff and sore that when I got on my feet, it was as much as my life was worth to stand up straight. The kidney secretions were retarded in passage. Doan's Kidney Pills helped me at once. I keep them on hand and use them occasionally as a preventive."
