Years ago this Mount Joy resident told of good results from using Doan's Kidney Pills. Now of Barbara and Mount Joy Streets, confirms the former statement—says there has been no return of the trouble. Can Mount Joy people ask for more convincing testimony?

Mrs. Nissly says: "I had been suffering from a weak back and other ailments for some time. There was a dull pain across my kidneys that fairly made me sick all over. I was subject to chilfs and was very dizzy at times. My kidneys were not doing their work properly. Doan's Kidney Pills were recommended and I began using them. It took but a few doses to show that I was being benefited. I continued taking them a short time and was cured."
