Lancaster's Leading Gift Store Bids You and Yours Welcome

Everything is in complete readiness for the Christmas shoppers. The stocks were never quite so varied, the decorations were never more attractive, and the service more complete, etc., in every way. Service of the first-class has been the watchword of the stores preparations for the Christmas season of 1917, and our effort will be crowned with success. Experienced help in every section to help with the holiday rushes. Please shop as early as possible, this will assure you the very best of service.

There Are 1000 and 1 Toys To Amuse the Children in Toytown

The largest section of our basement has been devoted to the amusement of the kiddies. A wonderful assortment of toys and games. There are dolls by the hundreds and scores of other toys too numerous to mention. All are priced very moderately, considering the high cost of materials used in their making. You will profit much by visiting the store during the next few days and selecting TOYS.

The Xmas. Sewing Machine Club is Now Forming--Read of the Easy Plan

By which you can own one of the finest machines built in America. These machines are made by the Davis Sewing Machine Company, who have been leaders in the sewing machine world for over 55 years. These machines are perfect in construction and ever faithful in service. Over one dozen models from which you can select. Priced from \$23 to 45.

Each machine is complete with a full set of steel attachments and is fully guaranteed by the makers and by Watt and Shand for ten years (regardless of style or price).

You pay \$2.00 down and then the machine is delivered to your home. Then you pay the balance in payments of \$1.00 each week. No collectors. All settlements made at the office or by mail.

Almost Completed

The work on the new dam across the Susquehanna river at Falmouth is soon completed and will cost approximately about \$30,000. It is being erected by the York Haven Water and Power Company, in order to give the company more power for current to drive their machinery. They are now furnishing many towns with electricity.
