Auto Bus Destroyed
While Johnson Ebersole's auto was being filled with gasoline, at the Landis garage at South Poplar street, Elizabethtown, on Thursday evening it took fire and soon was a mass of flames. The first department was called out but their services were not needed, as the machine was gotten out of the building before any damage was done. The auto was of the Hudson make and is a total wreck. This is the car that jitneys between Elizabethtown and Middletown.

The man who sits down and waits for something to turn up will succeed in time. His toes will turn up.

The recent cold spell killed many birds thruout this section.

THE BEST TEST Is The Test of Time

Years ago this Mount Joy resident told of good results from using Doan's Kidney Pills. Now of Barbara and Mount Joy Streets, confirms the former statement—says there has been no return of the trouble. Can Mount Joy people ask for more convincing testimony?

Mrs. Nissly says: "I had been suffering from a weak back and other ailments for some time. There was a dull pain across my kidneys that fairly made me sick all over. I was subject to chills and was very dizzy at times. My kidneys were not doing their work properly. Doan's Kidney-Pills were recommended and I began using them. It took but a few doses to show that I was being benefited. I continued taking them a short time and was cured."

The above statement was given.

a short time and was cured."

The above statement was given October 26, 1907 and on January 24, 1916 Mrs. Nissly said: "It has not been necessary for me to use Doan's Kidney Pills. The cure they gave me has been lasting."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Nissly has twice publicly recommended. Foster1Milburn Co., Props., Buffalo, N. Y.

The Lancaster Inquirer of Saturday, contained the following: "The Mount Joy market house, not a

Mount Joy market house, not a financial success, has had no markets for some time and is for sale."

Ever since our market house was built a number of years ago, we have had two markets weekly. Hundreds of people attend and many come here from out of town. We meet quite a few from Lancaster, Landisville, Salunga and other places. Saturday's market was one of the largest we've had for some time.
