But you will reap the benefit of our business acumen because today furniture cannot be got for love or money. Skilled labor is scarce and high. Furniture is placed at the bottom of the non-essential lists by the government and railroads refuse to accept it for shipment. Even Donovans with all their resources cannot hope to be as fortunate again. Buy now or you will be compelled to pay considerably more money for less desirable merchandise after this sale ends.

We alone of all our local competitors do not sell on the installment plan. This eliminates all the tremendous expense of carrying along a lot of slow-paying accounts which the cash customer has to help pay.

Remember

Because of the fact that we have thirty-three other departments to help bare the expense of light, heat, delivery and a hundred other things we achieve prices and values that specialty furniture stores could not attempt.

Our big automobile trucks will bring your
