SUFFERED 20 YRS. NOW FINDS RELIEF

TRIED REMEDY AFTER REMEDY WITHOUT AVAIL UNTIL MASTER MEDICINE RELIEF

"Tanlac has done more for me than anything I ever used, and I have tried everything during the twenty years I suffered," says Emanuel G. Kicherich, foreman at Small's Flour & Feed Warehouse, York, Pa.

"I had stomach, bowel and nervous trouble," he continued, "I had no appetite and got no good out of my health was so weakened that I was attacked by neuralgia and oh! the agony I suffered from those darting, burning pains that would shoot through every nerve in my body. Sometimes it got worse through the day."

"I tried remedy after remedy; I guess I tried about everything that held out the slightest hope of relief, but none of them did me a particle of good. I was desperate—I felt that I could not stand it much longer. One day I read about Tanlac. I said to myself—I've tried all the others so, I'll see if this will help me."

"And it did! It helped me from the very first. I felt better and better with each dose until today I hardly know myself."

"I am going to stick to Tanlac, for already those neuralgia pains have left me. My stomach is in such fine condition that I can eat anything and I feel well and vigorous all over."

Tanlac, the Master Medicine, is now sold here by W. D. Chandler & Co., Druggist, where the Master Medicine can always be had.

Early Spring Suit Buying Advised

To perfectly understand the present Clothing situation, one must know that the Spring Suits and Topcoats we are now offering were ordered, and manufacture begun on them, as early as last Summer, just a few months after the war broke out and before the whole country was thrown into a state of preparedness confusion.

Since that time things have changed. It is no easy matter, like in past days, to get a shipment on a day's notice.

Therefore, it is SOUND ADVICE to buy your Spring Suit NOW.

Our stocks are first-class now, but Men are in a buying mood. They don't want to take any chances. They KNOW that the first selection is always the BEST—and so they aren't waiting.

WHY SHOULD YOU WAIT any more than they? The Suits you can get NOW at \$15, \$18, \$20 and upwards will seem fabulously cheap with what the prices will be next Fall and Spring.
