HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio. "I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well. My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them." Mrs. MARY BOYD, 141 1/2 St., N. E., Canton, Ohio.
