RULINGS OF THE FUEL COMMITTEE

THE FOLLOWING INSTRUCTIONS WERE GIVEN ALL RETAIL COAL DEALERS IN LAN-CASTER COUNTY BY

JNO. J. EVANS

On and after July 1st, dealers will be permitted to deliver Buckwheat coal and broken coal to all past users of anthrecite coal, except manufacturing plants. This ruling will permit the delivery of buckwheat and broken coal to churches, schools, banks, public or charitable institutions, places of amusement, tobaccowarehouses, public buildings, etc.

A fine and neatly decorated booth was erected in front of D. H. Martin's clothing store on West Main street. The erection of same was the work of Mr. Arthur R. Hendrix, local representative of the Metropolitan broken coal to churches, schools, banks, public or charitable institutions, places of amusement, tobaccowarehouses, public buildings, etc.

This booth was in charge of Miss was ably aswarehouses, public buildings, etc.
The present ruling limits deliveries to two-thirds of the annual requirements will be strictly enforced as to the delivery of the delivery

is only entitled to an equal amount during the current coal year. Exceptions to this ruling shall apply where changes have been made in the residence or heating system or for other good reasons. These exceptions must however, be noted and returned by the dealer making delivery.

Threshers are entitled to an adequate supply of bituminous coal for the purpose of their business.

Stamps and in addition secured 15 pledges. The above amount was added to the town's quota which was \$44,000. According to the report of the school board, the compilation of pledges and cash totaled \$33,000.00, an average of three stamps for every man, woman and child in Mount Joy.
