## SHOWED OUR PATRIOTISM ON BIG VICTORY

On Thursday, the glad tidings of the great gain by the French and American forces in the west, were welcomed very gladly in this town. After the news was reported, church bells, the school bell, the fire bell and all whistles in town sounded the glad tidings from about 4:45 P. M. until 7 o'clock. At 8:30 P. M. the citizens of the town together with school children, grown folks and the Band paraded. After the parade everybody assembled in front of H. H. Newcomer's Hardware store and after the singing of many patriotic songs such as "The Star Spangled Banner," "The Englishman's Boy," "Keep the Home Fires Burning," and "Columbia, the Gem of the Ocean" the Reverend I. A. MacDannald, of this place gave a stirring address. T. J. Brown also gave a short talk. The session in thankfulness was closed by the audience singing "America."

## HOW MANY PEOPLE WILL BELIEVE THIS?

The following report appeared in a Lancaster daily of Monday: "Columbia, Pa., July 22--Joseph K. Shultz, of Washingtonboro, one of the largest tobacco raisers in Lancaster county, has closed a deal with a New York firm of tobacco buyers for the sale of his crop of Havana tobacco as it stands in the field. He received the sum of 45 cents a pound through, and the purchasers take all risks on the crop except damage by hail. His crop totals thirty-five acres and it will average 2,000 pounds to the acre. Many other farmers in this section have received 40 cents and 5 cents for their crops in the fields, but the price received by Mr. Shultz is the largest ever received by a Lancaster county tobacco farmer for his crop."

**Keller & Bro's. Next Sale**  
Messrs. J. B. Keller & Bro. will hold their next public sale of live stock at their stock yards in this place on Friday, Aug. 2nd, when they will sell 90 head of New York State and Erie Co. cows, heifers, bulls and steers. Bulls will be an extra good lot. If in need of stock don't fail to be on hand at 1:25 sharp.

**He Retired in 1909**  
Elizabethtown's oldest man is H. C. Fahn, ex-coachmaker, who entered on his 84th year two weeks ago. He removed from Bainbridge to Masonic-homeville in 1887.

**Absent Without Permission**  
For leaving Camp Meade without permission to do so, Paul Sentz was arrested at his home near here last Monday. He was then taken back to the camp, where his punishment will be decided.

CARL N. SHANK

We feel certain there isn't a man or woman in this town who has had the experience of this young man and when he returns, it will be very interesting to hear the story of his rescue.

## GETS DISTINGUISHED SERVICE CROSS AFTER DEATH

Our readers will remember that several weeks ago the Bulletin contained an account of the death of Sgt. Vincent M. Schwab, a brother of Christian Schwab, of this place. The following gives more detail and appears in a recent issue of a St. Louis daily, from which city Mr. Schwab enlisted: "Dispatches from Washington yesterday announced that Sgt. Vincent M. Schwab of 251 1/2 Dodder street, was listed in the Marine Corps casualty list of June 21 as having been killed in action in France, was one of the nine marines to whom Gen. Pershing had awarded the distinguished service cross after their death. The official communication said: 'Killed in action at Chateau-Thierry, France, June 6, 1918, he gave the supreme proof of that extraordinary heroism which will serve as an example to hitherto untired troops.' Sgt. Schwab was the tenth St. Louisian killed in France. He was 31 years old and was born in Germany, where his mother, at last accounts, still lived. His father is dead."

**Accidents in Family**  
Walter Shue, formerly of Masterstown, now residing on a farm near Schaeferstown, was unfortunately having the wheel of a wagon pass over his hand, some weeks ago, which has taken him away from his work. He suffered a great deal of pain but hopes soon to be back on the job again. On Wednesday evening of last week his little daughter while driving a horse from pasture to the barn, was struck in the face receiving a cut through the upper lip and one above the eye. It required several stitches to close the wounds.

## SUIT AGAINST ADAMS EXPRESS CO. FOR \$1,000

W. M. Holloway, attorney for the Farmers' Creamery Company, of this place, has entered suit in the Court of Common Pleas against the Adams Express Company. Butter valued at \$1,000 was shipped from Mount Joy to Philadelphia by Adams Express Company. It was not delivered, having been lost in transit. This suit is for the value of the butter.

## COMMITTEES ASSAILANT IN THE MARIETTA STABBING AFFAIR

Joe Selez, an Austrian, charged with the stabbing of a countryman named Winnich at Marietta, Pa., was given a hearing on Tuesday before Justice of the Peace Gramm, of Marietta, and committed to the county jail for trial at court. The victim, Winnich, is in a serious condition in the Columbia Hospital.

## A Wise Move

Carl wisely exercised good judgment in taking out insurance shortly after he enlisted. This morning his suit received an insurance policy from the Treasury Department at Washington. The amount of the policy is \$5,000, payable to his beneficiary in case of death, in monthly installments of \$28.75 until the full amount has been paid.

## Don't Fail to Attend

The W. C. T. U. will meet at the home of Mrs. I. D. Stehman on next Monday evening at 7:30 when officers will be elected.

## CARL N. SHANK REPORTED SAFE

HIS AUNT MISS MINNIE MUMMERT RECEIVED A TELEGRAM FROM HIM AT HOBOKEN, N. J. YESTERDAY

After all the newspapers had published statements that Carl N. Shank, of this place, a member of the crew of the Cruiser San Diego, torpedoed and sunk by a submarine, was unaccounted for, and this many elements felt certain that he was drowned, a telegram was received here yesterday as follows:

H. D. Hoboken, N. J., 7-22-18  
Miss Minnie Mummert,  
Box 373, Mount Joy, Pa.  
I arrived safe in port. I am one of the survivors. Tell Grandma not to worry about me. Send me money as I lost all my clothes. Carl N. Shank, Hoboken, N. J.

## Safety is Assured

The following telegram was received here this morning: Washington, D. C., 7-23-18  
Minnie Mummert  
Referring to Bureau's telegram of July 21, very glad to inform you that your nephew, Carl N. Shank, seaman second-class, U. S. N., now reported as saved and now on receiving ship New York. Mail should still be addressed W. S. S. San Diego, care postmaster New York City Bureau. Am very glad to forward this welcome news. L. C. Palmer.

How the men from the U. S. Cruiser San Diego leaped into the water and clambered upon life-rafts after the ship had been hit by a torpedo off New York, and how they began to sing the "Star Spangled Banner" as the big boat began to take its final plunge, was told Sunday by George F. Jarrett, son of Mrs. George Jarrett, of 450 East Chestnut street, Lancaster. Jarrett was a fireman on the boat, and was home for a forty-eight hour leave Sunday. It was Jarrett's first sea trip. He enlisted in the Navy here March 15, and had undergone training at the Newport School. He had been on the San Diego since Monday, and was seeking his pay slip when the vessel was struck. "There was not the slightest bit of excitement or disorder," he said. "Every man stuck to his post until they were ordered to move, and the officers remained at their posts until the vessel had leaned over on one side. They then slid down the side of the vessel into the water. Jarrett was on a raft for almost four hours before being picked up. He was taken to Hoboken, and there had to stand in line for five hours before he could secure new clothing. "After we were hit," he said, "there was a great outburst of firing. Every gun on the boat began to shoot at targets in the water, in case they might be submerged. There was a constant rattle of shots for several minutes. I saw a barrel blown to pieces, but do not know whether the sub was hit or not."

Six cavalry boys were on the San Diego. They were Chester J. McConsey, George Jarrett, Clarence P. Clans, Harold Swank, all of Lancaster; Carl N. Shank of this place; and John C. Kayler and Helen Bowers, formerly of this town.

Thomas J. Coolidge, son of A. H. Collidge, of 127 Juniata street, Lancaster, who has been in the Navy for nearly five years, was reported safe, according to a telegram received last evening at 5:30 o'clock by his father. The telegram came from Washington, and stated that a letter would follow.

## That Was Some Calf

One of the largest calves ever seen in upper Lancaster county, was taken from the Willow Spring farm, by Poultryman Engle, of this place, who will ship the same after dressing, to the market. The calf was of the Holstein variety, three weeks of age. It tipped the scales at over 215 pounds. The price secured at the present high figures is more than the ordinary cow would have brought a number of years ago.

## That Was His Hobby

John Keener, of Florin, well known over Lancaster county, is perhaps the most remarkable man for his age in many sections. Although past eighty years of age, he daily attends to his work. He is a carpenter and builder, and can lay out a barn or dwelling with more ease than many men half his age. His hobby is to plan the construction of a hure barn and during his four score years has done this many times.

## Prepared the Camp

Last Wednesday night Thursday Messrs. Ed. Ream, Harry W. Garber, Harry H. Zeller, George Mumber, Chas. Berrier and the scribe were up at Camp Ream, in the extreme western part of Perry County, getting things in readiness for the hunting season this Fall. Everything is now in readiness for the opening of the season at this beautiful mountain site.

## Erecting a Porch

Mr. Andrew Zercher is putting down the foundation for a large porch on the south and west sides of his beautiful country home along the Marietta pike, half a mile south of town. The largest tobacco shed in that section, on the farm of Michael Hoffman, owned by Wm. Kaley, fire destroyed the entire building.

Also barn and tobacco shed with contents, on the farm near White Oak, above Marietta, owned by the George H. Danner estate, of Mannheim, and tenanted by Phares Wenger. Estimated loss, \$10,000.

## The Cameron Buildings

The large barn on the ex-Senator J. D. Cameron farm, tenanted by Geo. S. Endsley, at Donegal Springs, Pa., was destroyed by lightning at 6:30 Thursday evening and completely destroyed by fire. The flames communicated with the large tobacco shed and adjacent buildings nearby (Continued on page 7)

## Quite An Outing

A picnic was held at Hertzler's Grove on Thursday afternoon by the members of Mrs. George Myers' class of the T. U. E. church of this place. Besides the teacher and pupils there were also present many invited guests. The afternoon was filled away with games, etc. and a very dainty luncheon was served.

## Arrested for Gambling

Foreigners to the number of six were arrested Sunday morning at Billmyer for gambling. Constable Rodgers, Hickey and Barr, of Columbia, went to Billmyer and took the men to that place under arrest; they were given a hearing before Justice McCracken and found guilty. They were discharged on paying the fines and costs. Among the men were Poles, Italians, Russians and Austrians.

## A Fine Farm

One of the finest and most prolific farms around Elizabethtown, is the Rev. Solomon Brinsler farm, tenanted by his son, Rev. John Brinsler, at a mile north of that borough. A 32-acre hay field yielded 57 tons of hay. In a 17-acre field of oats the stalks are over 6 feet high. A 35-acre field of wheat is expected to yield over 900 bushels. A concrete reservoir and watering trough has been installed.

## Rejected Medical Inspection

Carriers from Elizabethtown to camps are the only Lancaster county school districts included in the sixty-three fourth class school districts in Pennsylvania which failed to permit medical inspection of pupils at a time when selective service boards throughout America are finding hundreds of men with defects that should have been corrected during school life.

## Ed's Good Position

Mr. Ed. Ream, our extensive local horse dealer, has been tendered a position by the government. He has been asked to be the purchasing agent in this section for horses and mules for Army purposes. Mr. Ream now has the matter under consideration but will, in all probability, accept.

## World's Record Broken

The fastest mile ever paced by a mare was stepped at Toledo, O., yesterday when Miss Harris M. turned the mile in 1:58 1/4 and then lost the race to Single G, the last two heats being stepped in 1:59 1/4 and 1:59 1/4.

## TOBACCO AND CORN BADLY CUT BY HAIL

The rain and hail storm which passed over this section last Friday afternoon surely left its mark. No hail fell in this immediate vicinity but on the south side of the ridge road and one mile east of Elizabethtown the writer saw several fields of corn that were cut into shreds. Several tobacco fields adjoining were also badly cut but as the stalks are small, they will not grow the damage. Several miles farther east of the section in which the hail fell, is the finest patch of tobacco in the upper part of this county. It is on the farm of Mr. Benjamin Brubaker. The majority of it was topped some time ago and it is beginning to push suckers. It is quite fortunate that the hail did not reach that section. On part of Mount Joy Boro's watershed there must have been several cloud bursts. The Little Chickies, which furnishes our water supply, was muddier than we have ever seen it and is still in that condition. As a result we are getting cloudy water from our reservoir, to the disgust of many a housewife, but they can all rest assured that it will be soon avoided, as pumping engineer Geo. G. Shatz, has been very careful in supplying us with the best and clearest water possible. First the water goes into our sub, it is allowed to settle, the clear water pumped off, and so on, but when the water is so very muddy, it will not settle fast enough.

Many of our citizens are carrying water from the spring near the pike bridge, east of town, the past few days.

## S. & S. W. ASSOCIATION NOW NUMBER SIXTY-FIVE

The regular weekly meeting of the Soldiers' and Sailors' Welfare Association was held in the Council Chamber Monday evening with an exceptionally good attendance. The membership was given quite a boost, forty-two new members being enrolled, the total membership of the Association now being sixty-five.

A constitution and by-laws were adopted and Dr. W. D. Chandler was elected corresponding secretary to fill the vacancy caused by the resignation of Dr. J. J. Newpher. The Executive committee comprising the officers of the Association, was instructed to ascertain how many of the Mount Joy boys now in the service, are receiving the Mount Joy Bulletin. After this information is received, the Association will endeavor to have a copy of the Bulletin reach all these worthy young men.

## A LITTLE OF EVERYTHING

Mr. John Way will move his family and household effects from Ardmore, to this place in the near future. The Salem Reformed Church, of Rohrerstown, has contributed \$500 for the erection of a chapel in Japan.

## RED CROSS NOTES

Thirteen Thousand Six Hundred and Forty-five Articles Made by Local Branch in a Year

The local Branch A. R. C. is at present engaged in making Oakum Pads for the purpose of the Oakum which is sent here heavily baled, must be picked apart until it is soft and pliable as this takes time and labor. The work is being done in the afternoon and evening. The Oakum Pads must be made with specified time, the workrooms will be open for the next few weeks, on Monday evening and Tuesday afternoon in addition to Tuesday evening and Wednesday morning and afternoon on the regular times for working. Let the enthusiasm manifested at the news of American victory be carried into practice. Every mile of canvas means large numbers of wounded men. You can help the boys there, by working in the Red Cross rooms here.

In compiling the yearly report for the Red Cross, the local Branch of Mount Joy had made thirteen thousand six hundred and forty-five articles, including Hospital garments and Surgical Dressings. These consisted of 56 Bath Robes, 146 Hospital Shirts, 148 Pairs Pajamas, 533 Triangular Bandages, 520 Four Tailed, 256 T Bandages, 360 Abdominal Bandages, 252 Roller Bandages, 10 Fracture Caps, 10 Oakum Pads, 12 Fracture Pillows, 5,924 Gauze Compresses, 1,445 Gauze Wipes, 3,000 Gauze Spunges, 900 Gauze Strips, 141 Stack Gauze Squares. In addition to this, a series of "shows" knitted articles were made: 142 Sweaters, 102 pairs Socks, 139 pairs Wristlets, 60 Mufflers, 70 Helmets, 30 Wash Cloths, 150 Spunges, 3 Blankets, 1 pair Knee Caps, 17 Abdominal Bands.

The Society desires to thank Mrs. H. S. Newcomer for the donation of an ironing board, with stand. It is highly gratifying to the workers that thus far every needed article solicited thru these columns has been supplied. The children of the East Ward have been combining their patriotism with their play, a series of "shows" have been given for the benefit of the Red Cross. That they have been successful is shown by the fact that though the price of admission is small they have contributed over a Dollar. Their endeavor is greatly appreciated and the Branch takes this means of extending to the youthful "actors" and "actresses" a vote of thanks.

## His First Real Service

It will be remembered that Carl N. Shank, a survivor of the Cruiser San Diego, in his telegram yesterday asked for money. This matter came to the attention of the Soldiers' and Sailors' Welfare Association and at a meeting of the Executive Committee yesterday afternoon it was decided to donate \$50, the amount the young man asked for. This most worthy young man. The money is being collected today by members of the Association, who are asking for \$1 contributions. One can get an idea as to the patriotism of our citizens when we say that every man asked thus far "came across" with a dollar.

The State Road in the residence of Mr. Henry G. Shelly, on West Donegal street, to the Cross Roads, was given an application of oil and crushed stone last week by the state and boro.
