F. F. BAKER IS A REMARKABLE MAN

WELL KNOWN RAPHO TOWNSHIP FARMER, IS A BUSY WORKER AT NEARLY 80 YEARS OF AGE Frederick F. Baker, residing a short distance from Hessler's school house, in Rapho township, is one of Lancaster county's most remarkable men. Mr. Baker has been a farmer from the time he was old enough to work, and he has spent more than three-score years in that occupation. For the past eight years, Mr. Baker has been blind, but even that affliction does not prevent him at the age of seventy years from performing some of the lighter work around his farm. He is the oldest native resident of the neighborhood in which he lives and he has occupied the same house and farm for half a century. Mr. Baker having lost his eyesight is so familiar with his farm that he can find his way to any part and cut wood and attend to other minor tasks. He is well posted on all the events that have occurred in that section for the past seventy years, and he is posted on current topics and discusses them freely. In his life he has been a constant reader and possesses and relates knowledge of events with a degree of accuracy that is uncommon. His knowledge of present day affairs has been acquired by hearing, as his wife reads regularly the newspapers for his benefit. Mr. Baker built the house which he occupies and owns the farm on which it stands. From the time of his birth he has never resided in any other section, and hence knows all about the events that have occurred in that vicinity. He also owns by subsequent purchase, the plot of ground across the road from his (Continued on page 5)

MOUNT JOY'S PART IN GREAT WAR

LETTERS FROM SEVERAL MT. JOY MEN WHO ARE IN FRANCE--LETTERS FROM OTHERS IN THE VARIOUS CAMPS

Letter from Eddie Miller July 20, 1918.

Dear Friend Ben: Received your letter and was very glad to hear from you. At the time I was lucky and have a little time to answer the letter.

I was working hard for a few weeks but now have a little rest. Believe me, we give the Germans hell. I mean to tell you, Old Tom, but I don't see how Uncle Sam's Regulars can fight. You surely got to give that to the Regular army, they show the world how to fight as you can see by the papers.

The boys I am well and getting over here but can't write them. When I come home, I'll tell you all about this war as it will not last long anymore. But the only thing I should like to have is the Eagle Club had every night.

Remember me to all the boys in Mount Joy. Tell W. Ellis to answer my letters; I am feeling fine. Tell me how you are getting on and some day expect to be back to dear old Mount Joy and have good times. Goodbye and good luck. Answer soon.

Your friend, Ed. Miller. Batt. D. 10th F. A. Amer. E. F.

P. S. Remember me to W. Loraw. I sent him some letters but did not receive an answer.

Letter from Walter Hinkle. Somewhere in France. August 28th, 1918.

Dear Sister: I will write and let you know that I am well and like the place I am at. I am getting good eats and I don't want you folks to worry about me. I am getting along fine and am feeling good.

The people are quite different here from what they are in the States; they are working every day, Sunday included. They are now getting the news away. The only people we see are very old folks and children; they do the work on the farm. They do not wear shoes like we do but wear wooden shoes and when they are getting tired they take them off on the outside. The people here are very nice and are glad to see us come. They have nice roads "over here" but the houses are very old and built of stone.

We can not buy many things here, the only things are nuts, figs and tobacco. We see at nearly every camp a lot of German prisoners and hear that the Germans are being driven back while the French are gaining. The young girls here are all drafted and are in the hospitals taking care of the wounded. Tell Laura that the Red Cross treats us fine "over here". At some places we get very good coffee and bread from them. One town we went thru they gave us ice cream, cigarettes and candy.

You can write anytime for I will get the mail any place I go with the address I give you. Give my love to the family. Your brother, Walter Hinkle. 304 Eng's Train. Amer. E. F. via N. Y.

TO OUR SUBSCRIBERS

We regret to inform our readers that owing to the increased expense in the production of a newspaper like the Mount Joy Bulletin, we are compelled to raise our subscription price to \$1.50 a year, beginning September 1st. We will accept new subscriptions and renewals until Sept. 1st at the old rate of \$1.00 per year.

As a matter of fact our subscription price should have been increased long ago as did other newspapers in the county, but we were living in hopes that prices of print paper, ink, postage, labor, etc. would drop but instead they have been soaring skyward.

Herewith are appended a few of the leading papers in Lancaster County and their subscription rates. Some of these papers increased their rates two years ago, while others have just raised within the past year:

- Lancaster Inquirer, \$1.50 and \$2.00. Lititz Express, \$1.50. Ephrata Review, \$1.50. New Holland Clarion, \$1.25 and \$1.50. Quarryville Sun, \$2.00 and \$2.50. Manheim Sentinel, \$1.50. Marietta Times, \$1.50.
