### IMPORTANCE OF HEALTHY KIDNEYS

Mount Joy Readers Should Learn to Keep the Kidneys Well

The kidneys have a big work to do. All the blood in the body is coursing through the kidneys constantly to be freed of poisonous matter. It is a heavy enough task when the kidneys are well, but a cold, chill, fever or some thoughtless exposure is likely to irritate, inflame and congest the kidneys and interrupt the purifying work.

Then the aching frequently begins and is often accompanied by some irregularity of the urine—too frequent passages, sediment or retention. Thousands testify to the wonderful merit of Doan's Kidney Pills, a remedy for the kidneys only, that has been used in kidney troubles 50 years. You will make no mistake in following this Mount Joy citizen's advice.

Henry Krall, Mt. Joy street says: "My kidneys acted much too freely and my back gave me awful pain. I tried all kinds of medicines without results until I used Doan's Kidney Pills. Doan's gave me fine relief and I am glad to recommend them to anyone."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Krall had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

### A Twilight Shoot

A twilight shoot was held at Newtown last Friday evening when seven gunners faced the traps. Two of them shot at a century of targets and "Danny" Moore was high with 78 to "Ab" Weaver's 69. The complete score follows:

	25	25	25	25
D. Moore	20	49	18	21-78
A. Weaver	21	15	16	17-69
J. E. Schroll	23	20	22	-65
E. Myers	21	21	20	-62
H. S. Gray	16	14		-30
F. A. Brown	8	7		-15
R. Myers	18			-18

### Ready for Season

Manager William K. Weaver, of the Landisville team, sends the following:  
The Landisville ball club, which organized some time ago, has open dates in July and August. They desire to hear from Brownstown, Quarryville, Gordonville and teams of that calibre. They are also open for the Fourth of July. Address all communications to Wm. R. Weaver, Landisville, Pa.

### Who Wants a Farm

I have for sale an 86 acre farm in West Donegal township, that is, beyond a doubt, the best farm of its size I have ever offered. Limestone land excellent producer, good buildings, excellent location. Must be seen to be appreciated. J. E. Schroll, Mt. Joy.

Slugs are becoming quite common in gardens. If they are troubling your crops, write to the Pennsylvania Department of Agriculture for information on methods of protecting the crops from these pest.

### PENNA. SEVENTH TO RATIFY THE AMENDMENT

Pennsylvania was the seventh state in the Union to ratify the Federal Suffrage Amendment. This may interest those who gave their names last Summer to petition Congress for the Suffrage amendment, to know that eight states have already ratified this amendment. The United States Senate on June 4th, adopted the Susan B. Anthony constitutional amendment resolution, extending the right of suffrage to women, which now goes to the states to ratify. This ratification requires the vote of thirty-six states. Fifteen of the states now have suffrage for women on equal terms with men. There are 27 million women over voting age in the United States, 15 and a half million of them living in states that have given women the right to vote for the next President. Twenty-five Governors have promised to call an extra session for a vote of this amendment.

Whenever a farmer furnishes information for an official crop report, he is helping himself as well as the other farmers of the community and state.

# 415 REDUCED-PRICE SUITS

## After a Record-Breaking Spring Clothing Business We Offer These Splendid Savings

**AFTER** a Spring Clothing business among Men and Young Men that exceeded in number and volume of sales any year in the history of this thriving Store, we have come to a period when it is a duty to ourselves "clean house."

But, though it is a business duty with us, it is a MIGHTY GOOD OPPORTUNITY for YOU--and for any Man who feels he could use another Suit, now or later, and save money by getting it well below regular season price.

Heavy selling always leaves in its wake lines of Suits wherein the patterns are simply "shot to pieces." There may be a pattern here in which there is a "short-and-stout" size; another pattern in which there is a "long-and-slim" size. They are not necessarily extremes either way, but because there is only one or two of a pattern it makes hard selling in a regular way, where as an inducement like we offer will carry them out in a jiffy.

Well, that's the story. As to the other facts in the matter, well set them down in brief and concise form.

## Saturday, July 5th, Is The Date

The day after the "Fourth" our patrons will find FOUR RACKS, marked, in order--\$10.98, \$18.00, \$22.50 and \$30. Come in and look them over, according to the price you want to pay. This is how you'll save:

162 Suits That Were \$15 and \$18 Now \$10.98  
99 Suits That Were \$22.50, \$25 and \$28 Now \$18  
94 Suits That Were \$30, \$32, \$35, \$38 Now \$22.50

Clothing comes next to food as a necessity. Not only does the sheep meet the demand from a food and fertility standpoint, but for its wool for clothing there is no substitute.
