LOCAL DOINGS IN REAL ESTATE

WITMER HOSSLER BUYS THE HAMBRIGHT PROPERTY AT FLORIN AND WILL OPEN A GARAGE THERE

Although far in advance there was quite a stir in real estate circles here the past week. Home-seekers are making early purchases as there will, in all probability, not be very many additional properties offered for sale. Then again, there is not much of a likelihood that building material in general, will drop in price. This accounts for the numerous quick sales within the past week.

These will be marked improvements about this good, big live general merchandise establishment and will be in keeping with the times.

BIG CELEBRATION AT LANDISVILLE

FORTY SOLDIERS FROM BORO AND VICINITY HONORED AT WELCOME HOME— MEDAL JUBILEE GIVEN TO ALL

Several hundred residents of Landisville turned out Thursday night to pay due homage to forty of its fighting sons in a big welcome home demonstration. The celebration attracted people from this place and the immediate vicinity and served as a celebration in honor of the soldiers from all this immediate section of the county.

Forty returned soldiers were honored. Each was presented with a memorial medal. The demonstration opened with a parade, which was cut short by a downpour of rain. The remainder of the program was completed, however without interference.

The exercises proper were held in the auditorium at the campmeeting grounds. Addresses by Major Quinton C. Reitzel, Captain William C. Rehm, John M. Groff, Esq., and Rev. J. W. Gentzler were a feature.

Forty men and one nurse from Landisville and East Hemphield township served the nation in various branches of the service during the world war and of that number none were seriously injured though many of the boys saw hard service with local units overseas.

The opening feature of the demonstration was the supper served by the Red Cross to the soldiers, speakers and all who participated in the program. Refreshments consisting of ice cream and cake were served to all who attended the celebration.

The supper was followed by the parade which formed shortly after 6 o'clock and was led by the Landisville-Salunga Band. Beside the soldiers, members of the Red Cross, school children and many of the townpeople were in line. When half way through their scheduled line of march, the celebrators were forced by the storm to flee to shelter and made their way to the camp auditorium which was attractively decorated with flags and Japanese lanterns.

The speakers were introduced by F. H. Shenk, postmaster and well known merchant of Landisville. Fine tributes to the courage and loyalty of the East Hemphield men were made by all the speakers. Captain Rehm spoke of the work of the boys over seas while Major Reitzel gave a description of the trip to France, relating many humorous incidents of the voyage. A fine address was delivered by Col. John M. Groff and Rev. J. W. Gentzler, of Trenton, N. J., a former pastor of Zion Lutheran church, Landisville, also spoke.

Community singing was a feature of the program and besides the band selections, vocal numbers were rendered by Miss Mary Heiserman, Mrs. H. C. Charles and Mrs. Wisner, with Miss Leola Danner as accompanist. Miss Leola, of Millersville, gave a number of readings that were greatly enjoyed.

The medals which were given the boys by the Landisville Red Cross were presented by H. W. Minnich. They are of bronze bearing a four-leaf clover with the word Landisville and the date.

The celebration was arranged by the women of the local Red Cross working in co-operation with a committee composed of H. W. Minnich and F. H. Shenk.

TRAIN CRASHED INTO TRUCK AT LANDISVILLE

A motor truck, the property of the Raffensberger Express Company, of Harrisburg, was badly damaged Friday when it was struck by a Reading freight train at the railroad crossing at Landisville. The occupants of the machine, including the driver and one passenger, escaped injury, the latter jumping from the machine as the collision occurred.

The Raffensberger Company ran a truck line from Harrisburg to Lancaster and it was while enroute to Lancaster that the accident took place. The crossing is not considered a dangerous one, but it is thought that the driver failed to notice the approaching train. The machine was badly wrecked.

A BIG WELCOME TO ALL OUR BOYS

MOUNT JOY WILL DO ITS BEST TO ENTERTAIN THE GAL- LANT HEROES OF THE GREAT WORLD WAR

The second meeting of those interested in a welcome home celebration to our soldiers and sailors, was held in Mount Joy Hall Monday evening and was well attended. Burgess Schock presided and the following organization was effected.

President—Thos. J. Brown.
Secretary and Treasurer—Harry N. Nissly.

Various views and opinions were expressed by those present relative to the place and manner in which the boys should be entertained. The meeting was a unit that the celebration should be held right here in town and the method suggested and which met with the approval of the majority present was as follows:

Declare a general holiday, have all the industries and business places closed, have a short parade, free meals all day at the Garden theatre, free vaudeville in Mt. Joy Hall all day, base ball game, other athletic events and last but not least, a big free luncheon on the school grounds where everybody can eat as often as they please. Sounds pretty good, eh?

Of course the above is not definite. Chairman Brown was asked to appoint a committee which shall suggest or provide a means of entertainment and select a date.

LINEMAN MAY LOSE BOTH HIS HANDS

EARL HABEL OF LANCASTER SUSTAINS EFFECTS OF A CURRENT OF 11,000 VOLTS WHILE WORK- ING ON A POLE HERE

Earl Habel, of No. 235 Howard avenue, Lancaster is line foreman of the Edison Electric Co., was the victim of a terrible accident at an early hour Friday morning, and, even if he lives he will probably lose both hands, or the use of them. He received an electric current of 11,000 volts.

The unfortunate man was working on a "dead" wire on a pole near the substitution, in this place, when he in some manner grasped a live wire, being without rubber gloves. How he escaped electrocution is a mystery. Assistance was promptly rendered by fellow-workmen, who had to get him off the top of a pole on which he was working. Dr. A. F. Snyder has summoned and he was then taken to the General Hospital, where every possible attention was given him.

Yesterday his condition still remained unchanged at the hospital and if he recovers it will be a miracle. Mr. Habel, who has been in the company's employ ten years, has a wife and three children.
