This is an excellent location and will be the only garage on the Main thoroughfare of our borough.

#### The Ice Cream Tax

The Internal Revenue Commissioner has endorsed the interpretation of the local revenue office as to the tax on ice cream. That sold at hotels with meals is not taxable. Sold at any place where soft drinks are sold it is taxable, as well as at confectionery stores. Sold for consumption elsewhere it is not taxable. Soft drinks sold on the premises where mixed are taxable, but the tax on bottled soft drink is paid by the bottler.

#### They Should Know

While in town last Friday, four officials of a prosperous banking institution at Palmyra, stated that that borough already has four shoe factories and is getting the fifth and that if this town can get an industry of that kind to locate here, it could get nothing better.

#### Keller & Bros. Next Sale.

Messrs. J. B. Keller & Bro. will hold their next public sale of live stock at their yards here on Friday, August 1st, when they will sell 100 head of New York State and Erie County cows, heifers and bulls. Also a lot of stock steers and cattle for beefs. Sale starts at 1.25 sharp. 2t

### NINE IN AUTO TRAPPED UNDER A BIG MACHINE

While ascending Burkholder's Hill, one mile west of Bainbridge, Saturday night, an automobile containing nine persons upset pinning the occupants beneath. Two persons were injured Mrs. R. H. Storm, of Harrisburg, who sustained a crushed arm and a four-year-old girl, who suffered a broken nose. The automobile was being driven by R. H. Storm, of Harrisburg, and containing his wife, his wife's sister and six children. In attempting to shift from high gear to second, Mr. Storm put in the reverse and the car ran into a bank and turned turtle. Dr. Steaver, of Bainbridge, attended the injured and sent Mrs. Storm to the Harrisburg hospital. Mr. Storm was lacerated about the face and body. The others received only minor bruises.

Shortly after the accident occurred, H. N. Koser, of Landisville, came along in his automobile and found the entire party pinned beneath the machine unable to extricate themselves. He used a jack to lift the car off the injured and was surprised to find that only one was seriously hurt.

### WELCOME HOME COMMITTEE ACTIVE

BIG CELEBRATION WILL BE HELD SOME SATURDAY IN SEPTEMBER—MORNING, AFTERNOON AND EVENING PROGRAMS

### HELD RECEPTION AND A BANQUET

FRATERNAL PATRIOTIC AMERICANS ADMITTED A CLASS OF EIGHTEEN ON FRIDAY NIGHT—SOLDIER MEMBERS HONORED

In June, 1892, just twenty-seven years ago, General Cameron Council No. 851, Fraternal Patriotic Americans was instituted here with fifty members. During the great World War this order had an even dozen members in the service, one of which, John Dyer, made the supreme sacrifice. On Friday evening a reception and banquet was held in honor of the brothers who were in the service.

Instead of holding the exercises in the lodge room, they occupied the main auditorium in Mount Joy Hall. Following a business session, a class of eighteen was initiated by the local degree team. Following this the reception was held. Visiting delegations were present from Intercourse, Lancaster and other places. State vice councillor John C. Fiero, of Lancaster, was present and delivered an excellent address. Remarks were also made by others in attendance.

After the exercises a banquet was served in the hall during which time the F. P. A. orchestra rendered a number of selections, both vocal and instrumental. Miss Neva Wiley presided at the piano.

Although one of the youngest orders in town, this Council has a membership of 123, is quite strong financially and pays \$250.00 death benefits to Class B members and \$500.00 to Class A members. Another class will be admitted August 29.

#### Was 82 on Friday.

Our good old friend and townsman Mr. Jacob "Pop" Fenstermacher, on Mount Joy street, celebrated his 82 birthday on Friday. The W. C. T. U. of the state of over 50,000 members is trying to double its membership this year. Our local union, with the aid of Mrs. Canfield Wilson, of Clearfield Co., has added 46 new members to their union. The drive will be continued for several weeks so as to give every person who wishes to unite with the W. C. T. U. a chance.

Mount Joy union has not reached its full quota in the National Million Dollar Drive for Child Welfare, Women in Industry Americanization and World's Prohibition. Our quota is 120 dollars. All persons wishing to contribute to this great work and have not been seen by the solicitors are requested to hand their contribution to one of the officers of the local union.

#### Can You Beat It?

Many people take great delight in kidding (good naturedly though) Mr. Samuel H. Miller, local superintendent of the Edison Electric Co., about his Hippobile. While it may not look quite as nifty as do some of the 1919 models, it gets him over the road just the same and we feel certain it has made more mileage on the road longer than any car in town. One fellow called it a road house, another a roller skate and all sorts of other names but the climax was reached the other evening when a certain gentleman referred to it as a mechanical cock-roach. Don't you care Sammy.

#### Bank Officials Were Here

On Friday afternoon Messrs. Jacob A. Loose, president; Eugene W. Bowman, vice president, and directors Rudolph Behm and J. L. Bowman, of the Palmyra Bank, at Palmyra, visited both our local banking institutions. The Palmyra bank is about to install new vaults and the officials came here to inspect the very modern ones in both our recently constructed bank buildings. It is needless to say they were very favorably impressed with what they saw.

#### Pike May Soon Be Freed

The Columbia and Marietta Turnpike will be the next road in Lancaster county to be freed of toll. The Board of Directors of the company has by a unanimous vote decided to recommend to the stockholders that they accept the offer of the State Highway Department of five thousand dollars for the purchase of the road. A meeting of the stockholders will be held on August 14 to take final action.

#### Klein's Big Picnic

The Klein Chocolate Co., of Elizabethtown, will give its 300 employees the big treat of the season on Thursday, August 21. The company has engaged for this day a train to carry their employes to beautiful Willow Grove Park (just outside of Philadelphia) and a good time is in store for all who go along.

#### Must Hold Private Funerals

Hereafter all funerals of persons dying of measles, mumps, German measles and whooping cough are required to be private, according to an order approved by Edward Martin, promulgated Friday. This is one of the first acts of the new state health administration in its campaign to lower the death rate in Pennsylvania.

#### New Curb and Gutter

Contractor Elmer Heisey is putting down a concrete curb and gutter in front of Mount Joy Hall and Mr. P. E. Getz's clothing store on West Main street. The Methodist church will also have Mr. Heisey lay a similar curb and gutter, which will make the front of all the properties uniform from Comfort street east to Market street.

#### Just to Crack a Mule

A son of George Barkley, residing on a farm near Ramseys tollgate, in East Donegal Township, was badly injured when he reached too far to "crack" one of the mules attached to a tobacco hoer he was driving and he fell to the ground. An arm was broken and he was otherwise injured.

#### Will Move to E'town

Mr. John Martin, who has been a tenant on one of the Cameron farms at Donegal for a number of years, purchased a fine brick double house from Jno. M. ### OUR BIG UNION PICNIC WILL BE HELD TOMORROW

Tomorrow, Thursday, is the day set for our big annual outing, the union picnic at Hershey. Many of the business places will be closed as will the industries and weather permitting we predict a record crowd. The first car leaves at 6:00. Don't forget to have your baskets at the school grounds at 8 o'clock. The round trip fare is 65 cents.

The picnic amusement committee met last Tuesday evening at Dr. Garber's Drug Store. George Brown was elected president and Walter Loraw vice president. It was decided to hold no races this year at the picnic because of the many amusements Hershey Park itself affords.

A base ball game will be played at 10 a. m. picnic day, between a team managed by Jacob Brown and another to be composed of former church league players. "The Four-fingered Wonder," of Lancaster, will be the surprise as a pitcher for the team while Solon Barr will act in that capacity as well as that of captain for the latter team.

All former church league players are requested to be present in case they are needed to assist in keeping up their former reputation. Bring with you all available gloves and bats. A collection will be lifted which will help to buy balls for this interesting game.

### SHOE FACTORY IS NOW A CERTAINTY

BOARD OF TRADE PLEDGES TO RAISE \$150,000 AT ITS MEETING MONDAY EVENING MR. GERBERICH WILL SELECT A SITE

Well, the shoe factory is coming. Listen, pretty good, doesn't it? Get this part of it too. It will come to Mount Joy thru the efforts of the Board of Trade—the organization you all thought was dead but "far be it from such."

A meeting was held in Mount Joy Hall on Monday evening and it was well attended by the business men of the town. President Schock was in the chair. At a previous meeting he had appointed a committee of seven to "feel" the people of this community in order to ascertain whether or not they wanted this industry.

Obligations were solicited and in about a day the committee reported pledges to the amount of about \$20,000. At this meeting and upon motion, obligations were taken and in a short time \$57,000 or over one-third of the amount required, was subscribed.

The action on the part of these subscribers, together with the very favorable expressions from all whom the committee solicited, was convincing evidence that this industry was wanted in Mount Joy. A motion was made to the effect that we make Mr. Gerberich a proposition as outlined by him, soliciting the new industry and guaranteeing him that the Board will raise the required \$150,000. The motion carried unanimously.

Dr. J. J. Newpher, secretary of the Board, wrote Mr. Gerberich to that effect that same evening.

Additional subscriptions are now being solicited and will be accepted by any member of the Board of Trade and there are sixty-five. This stock sells at \$100 per share, pays six per cent. interest, and is well secured. When such men as G. Morry, Dr. E. W. Newcomer, J. S. Joseph Peck and Mrs. Danzig Swartz, of Elizabethtown, and John H. Epler, of Middletown. The funeral was held Saturday morning from the home of her sister, Mrs. Daniel Swigart. Interment in the family burial plot in Mt. Tunnel cemetery.
