MARK-DOWN SALE

It's going fine--and getting better--It's the most satisfactory and successful sale we have ever held--We have applied the proper lubricants, good merchandise and low prices, to keep this sale running smoothly and that's why we have been so very busy. The crowds are coming to this remarkable semi-annual MARK-DOWN SALE as never before. There's more activity and enthusiasm at this store than you can find in any other clothing store in Pennsylvania. We have reached the highest peaks in big merchandising. Our sales have won hundreds of new customers who came here for the first time to buy at our exceptionally low prices during the mid-Summer Sale--Its been one continuous stream of buyers steadily coming and going every hour since we began this greatest selling event that has ever been attempted in this section of the country.

Here's the whole story--We clean house twice a year and dispose of everything within the season for which it was bought--When you come here you have the entire stock from which to choose--There's no side stepping--Everything is within view of the customer--Whatever you select is sold to you at our Mark-Down Prices, which in many cases is much lower than the same goods can be bought wholesale--Some of the fine wearing apparel we are selling during this sale cannot be replaced at any price.
